ANDERSON, 2025-07-11 For every little girl who's ever asked Why me this is for you I never planned to tell this story Some memories were too painful Some chapters too personal Some truths too heavy to say out loud But silence doesn't heal And what I've learned sometimes through heartbreak sometimes through grace is that our stories are not just meant for us They are meant to free others too This is the story of a little girl from Jamaica who had no idea she was being prepped for a new life A girl who was taken from everything she knew and placed in a world she didn't understand A girl who smiled through confusion fought through pain and carried questions that had no easy answers It's a story of loss identity and longing Of trauma buried deep and the courage it takes to face it Of love lost love found and love finally accepted Of motherhood as salvation Of resilience as rebellion Of becoming whole on my own terms This book is not about perfection It's about survival It's about finding your way back to yourself after being lost in the expectations the labels the secrets and the silence I wrote this not just to remember but to reclaim To heal the child I once was To honor the woman I became And to offer a light for anyone who has ever felt unseen unheard or unloved So if you've ever questioned your place in the world If you've ever carried pain in your body and didn't know why If you've ever had to choose yourself when it would've been easier to give up Then this is your story too Welcome to my journey Welcome to becoming me **More Than Blood** Phillip

The Book of Sarahs Catherine E. McKinley, 2013-05-14

Suffused with longing this rueful passionate memoir about an adopted woman's search for her birth parents explores themes of race and family Catherine McKinley was one of only a few thousand African American and bi racial children adopted by white couples in the late 1960s and early 1970s Raised in a small white New England town she had a persistent longing for the more diverse community that would better understand and encompass her In an era shaped by the rhetoric of Black Power and Black Pride McKinley's coming of age entailed her own detailed investigation into her birth history a search complicated by the terms of a closed adoption that denied her all knowledge of the circumstances of her birth *THE BOOK OF SARAHS* traces McKinley's own time of revelations after a five year period marked by dead ends and disappointments she finds her birth mother and a half sister named Sarah the name that was originally given to her When she locates her birth father and meets several of his eleven other children she begins to see the whole mosaic of her parentage African American WASP Jewish Native American and then is confronted with a final revelation that threatens to destabilize all she has uncovered At the center of the narrative is McKinley's angry passion for her two mothers and her quest for self acceptance in a world in which she seems to herself to be always outside the bounds of social legitimacy In telling of her struggles both to fit into and to defy social conventions McKinley challenges us to rethink our own preconceptions about race identity kinship loyalty and love Catherine McKinley is the author of *The Book of Sarahs* and *Indigo In Search of the Color That Seduced the World* She is a graduate of Sarah Lawrence College where she has taught Creative Nonfiction and a former Fulbright Scholar in Ghana West Africa She lives in New York City McKinley writes beautifully in this debut memoir never resorting to sentimentality or easy emotions within this tangled web of emotional and family secrets Publishers Weekly In recounting her long and arduous journey in search of her birth parents McKinley Afrekete An Anthology of Black Lesbian Writing draws us into a page turning treasure hunt Along the way she skillfully describes her upbringing as a black or so she believed child adopted by a white family during the 1960s her tenacious efforts to winnow information out of the bureaucratic agency that handled her adoption and her often startlingly candid reactions to each new revelation about her background Ultimately she discovered that her parentage includes African American WASP Jewish and Native American forbears The multiple Sarahs of the title are just another confounding bit of information in this painful funny and very human memoir about race and family In the end the treasure McKinley seems to have discovered is her own independent self Recommended for all libraries Library Journal In elegant original prose that springs from a mind and heart at turns spirited and pensive Catherine McKinley

tells her dramatic story with defiant candor precocious wisdom and courageous sensitivity Sarah Saffian Author of Ithaka A Daughter's Memoir of Bing Found What child doesn't occasionally fantasize that maybe she's been adopted and one day her real parents will show up to rescue her from the crazy clan she's stuck in Who doesn't question the identity the world endeavors to tether her to even as she struggles to create her own self And who isn't fascinated by the dynamics of other people's families Or maybe it's only me Perhaps that's why I regularly revisit the world inside Catherine McKinley's The Book of Sarah's A Family in Parts The first time I picked up McKinley's memoir I felt like I had fallen into my own life though in truth her narrative is far removed from my own Catherine the biracial adopted daughter of a white couple sets out to find her true mom and dad and discovers a Jewish birth mother and an African American father The Book of Sarah's questions everything from motherhood to transracial adoption to coming out It's written for adults but inevitably takes me back to childhood reveries of escape These days though I also appreciate the book from the other side as a mother making choices that will change the course of my children's lives Jacqueline Woodson author of National Book Award winner Brown Girl Dreaming c O Magazine 2015 *Growing Up Black in White* Kevin D.
