How to Succeed! Corinne Caputo, 2017-02-28. A clever writing self-help parody that skewers writers' guides while offering amusing, almost helpful advice. This parody self-help book for writers is filled with hilariously misguided tips, factual-looking charts, and other advice that knowingly pokes fun at writerly foibles while still cheering would-be authors on. With this book, struggling writers can find suggestions for effective paragraph shapes, tips on where to find inspiration in your reflection in the shapes of gum stuck to the ground, in a consultation with your doctor, thoughtful poses for author photos, pull-out procrastination excuses, and much more. *How to Succeed!* is filled with enough almost-helpful advice to keep aspiring writers amused, unblocked, and on their way to literary fame. *How to Succeed!* lightens the pressure many creatives put on themselves to succeed. In effect, it acts as a mirror showing readers how silly and elusive writing and writers can be. Caputo offers practical advice with a comedic twist that will have you laughing out loud.
