Ati Pharmacology Proctored 2013 Test:

Oregon Administrative Rules Compilation, 2014 Pharmacology Test Prep Mario Babbini, Mary L. Thomas, 2014-12-15
Pharmacology Test Prep is an outstanding collection of 1500 clinical multiple choice questions written according to USMLE guidelines and classified by learning objective and difficulty. The questions and answers in this book cover all the areas that are included in topic based and organ system based courses in the first two years of medical school. This book provides medical students preparing to take the USMLE with a thorough review of pharmacology concepts and is an excellent review book for those needing to brush up on pharmacology for their rotations. Key Features: Questions require students to analyze information before choosing the best answer. Full explanations are included with answers giving students a comprehensive USMLE review tool. Organized along clinical as well as pharmacological lines making it suitable for both Step 1 and Step 2 exam preparation.

Pharmacology Technical Review and Test Preparation Stoogenke, 1999-01-01 *Pharmacology Success* Ray A Hargrove-Huttel, Kathryn Cadenhead Colgrove, 2014-03-25
Two books in one. Course review now NCLEX prep later 1 250 critical thinking questions both multiple choice and alternate format organize the seemingly huge volume of pharmacology information you must master into manageable sections divided by body systems and specific diseases. You'll not only learn to associate the medication with the disease process making learning easier but are also able to evaluate your knowledge of medications prior to taking exams.

Saunders Online Specialty Test - Pharmacology Linda Anne Silvestri, 2003-03-21
Part of a new series of Online Specialty Tests, this internet based exam focuses on pharmacology and contains approximately 100 high quality review questions. Updated annually, it includes all of the components students need to help them practice and review for the Boards. Each exam in this series provides practice questions in an electronic environment much like the NCLEX RN examination to help students and recent nursing graduates feel more confident before the NCLEX RN examination experience. Practice questions are presented in an electronic environment much like the NCLEX RN. Students can practice at their own convenience in an online environment. Results of the test show strengths and weaknesses and provide faculty with information to help evaluate student readiness and curriculum effectiveness. Upon test completion, students can print a study booklet with questions, answers, rationales, references to textbooks, codes, and test taking strategies to use as a study tool to increase their probability of passing the Boards. The test includes approximately 100 questions in a scrambled format allowing students to have a unique testing experience and to help faculty ensure security. Students are given feedback reports immediately upon completion of the test. Reports include an overview of results including number and percentage of questions answered correctly and a percentage of achievement in each of the three categories and sixteen subcategories scored on the test. Client needs, integrated concepts, and processes and cognitive ability. Students will be able to e-mail their results directly to faculty.
