A short beginner's method for any fretted string instrument (ukulele, guitalele, mandolin, guitar) using a common 4-strings tuning Andrei-Lucian Drăgoi,2023-11-30 This paper proposes a sketch version of a unifying beginner s cost

effective teaching learning method for any fretted string instrument like ukulele guitalele mandolin banjo guitar etc using the same common 4 strings B3 G3 D3 A2 tuning which may be also used to teach learn the basic music theory and practice elements more specifically the standard BGDA tuning of the central 4 strings of the guitar may be applied non standardly to all the other cited smaller thus more portable instruments like ukulele guitalele and mandolin which may be used either independently separately or as preparatory instruments for the purpose of teaching guitar and music theory after that first teaching learning phase on a smaller instrument or on a 4 strings guitar This unifying method may largely open the horizons of children and beginners in general to experience more than one instrument and may also help poor children persons who don t afford a guitar to be taught the guitar basics including important elements of music theory on much cheaper smaller instruments who are generally much more accessible that is why this method also addresses to all music teaching systems from all poor countries worldwide
