practitioners and students wishing to know more on the subject and this growing domain **Want You Dead** Peter James, 2014-11-18 Single girl 33 redhead and smouldering love life that s crashed and burned Seeks new flame to rekindle her fire Fun friendship and who knows more maybe In Peter James *Want You Dead* thirty year old Red Cameron meets handsome charming and rich thirty five year old Bryce Laurent through an online dating agency and is instantly attracted to him But as their love blossoms the truth about his past begins to emerge and with it his dark side Everything he has told Red about himself turns out to be a tissue of lies and her infatuation with him gradually turns to terror Within a year and under police protection she evicts him from her flat and her life But far from being over her nightmare is only just beginning For Bryce is obsessed and besotted with her He intends to destroy by fire everything and everyone she has ever known and loved and then her too It s up to Detective Superintendent Roy Grace to stop him before it s too late Forensic Podiatry John A. DiMaggio, Wesley Vernon OBE, 2011-01-06 The human foot is a complex body part composed of fifty two bones which is twenty five percent of all the bones in the body Nonetheless the foot is often viewed by the public and doctors as a minor body part Similarly the importance of pedal evidence in crime investigation has also long been undervalued but as footwear evidence has become more commonly used in forensic situations so has pedal evidence which is why this seminal work is so important it is the first textbook ever dedicated to forensic podiatry *Forensic Podiatry* is an international compilation of current practices authored by the pioneers in the field Part I discusses general forensic concerns including those at the crime scene from an informative perspective It covers tasks performed by the crime laboratory forensic podiatry principles and various aspects of human identification Part II deals with specific forensic podiatric concerns such as photographic techniques bare footprint identification and footwear examination and analysis It also discusses forensic gate and analysis as well as the identification of pedal remains from podiatry records which is important for mass disaster scenes Part III presents actual forensic podiatry case studies from the United Kingdom and the United States and Part IV focuses on podiatry practice standards which in many instances parallel expert witness responsibilities Groundbreaking and essential this book is useful for medical and criminal justice students as well as podiatrists criminalists footwear examiners forensic anthropologists attorneys and investigators *Find Them Dead* Peter James, 2020-07-09 Detective Superintendent Roy Grace unearths a powerful criminal network in the sinister crime novel *Find Them Dead* by award winning author Peter James Ending his secondment to London s Met Police Roy Grace gets a tip off about a drugs mastermind operating out of Brighton On his first day back in his old job he is called to a seemingly senseless murder Gradually Grace s investigation draws him into the evil sphere of an utterly ruthless drug dealer on trial A man prepared to order the death of anyone it takes to enable him to walk free from court Sitting in the jury is Meg Magellan whose daughter s life is being threatened by a stranger who tells her that if she ever wants to see her alive again it is very simple At the end of the trial all she has to do is make sure the jury says just two words Not guilty Although the Roy Grace novels can be read in any order *Find Them Dead* is the sixteenth title in the

bestselling series Discover more of the Brighton detective's investigations with *Left You Dead Now* a major BRITBOX series Grace starring John Simm **Roy Grace Ebook Bundle: Books 1-10** Peter James, 2015-12-03 The first ten novels of Peter James enormously popular multi award winning crime series featuring Detective Superintendent Roy Grace are collected together in this ebook bundle These ten bestselling titles follow Brighton's best police detective as he investigates missing persons terrible murders copycat killers and races against the clock to catch dangerous criminals before they strike again Peter James Roy Grace Ebook Bundle Books 1-10 contains the following gripping novels from the Roy Grace series *Dead Simple Looking Good Dead Not Dead Enough Dead Man's Footsteps Dead Tomorrow Dead Like You Dead Man's Grip Not Dead Yet Dead Man's Time Want You Dead* **Forensic Gait Analysis** Ivan Birch, Michael Nirenberg, Wesley Vernon, Maria Birch, 2020-07-07 Gait analysis is the systematic study of human walking using the eye and brain of experienced observers augmented by instrumentation for measuring body movements body mechanics and the activity of the muscles Since Aristotle's work on gait analysis more than 2000 years ago it has become an established clinical science used extensively in the healthcare and rehabilitation fields for diagnosis and treatment *Forensic Gait Analysis* details the more recent and rapidly developing use of gait analysis in the forensic sciences The book considers the use of observational gait analysis based on video recordings to assist in the process of identification or exclusion With the increase in use of CCTV and surveillance systems over the last 20 to 30 years there has been a steady and rapid increase in the use of gait as evidence Currently gait analysis is widely used in the UK in criminal investigations with increasing awareness of its potential use in the US Europe and globally The book details the history of the science current practices and of the emergent application to establish best practice standards that conform to those of other forensic science disciplines Engagement with the Forensic Science Regulator and the Chartered Society of Forensic Sciences in the UK and the International Association for Identification has helped to ensure and enhance the quality assurance of forensic gait analysis However there remains a fundamental lack of standardized training and methodology for use in evidentiary and investigative casework This book fills that void serving as one of the first to describe the current state of practice capabilities and limitations and to outline methods standards of practice and expectations of the gait analyst as a forensic practitioner *Forensic Gait Analysis* reflects current research and forensic practice and will serve as a state of the art guide to the use of gait analysis in the forensic context for both education and training purposes It will be a welcome addition to the libraries of professionals in the areas of podiatry gait analysis forensic video analysis law enforcement and legal practice **Forensic Gait Analysis**, 2017 **Forensic Podiatry** Denis Wesley Vernon, John A. DiMaggio, 2017-06-01 *Forensic Podiatry Principles and Methods* Second Edition has been completely updated to reflect the latest developments and advancements in this changing field New additions to the book from the previous edition include all new chapters on the expert witness Frye Test and Daubert Standard as well as revised theories on gait analysis bare footprint identification and footwear examination The new edition includes extensive case studies and

an international compilation of current best practices Since this text's first publication the field of forensic podiatry has rapidly developed from relative obscurity to a dynamic internationally recognized discipline Forensic podiatrists have been able to advance improvements in the field both in widening the range of applications and deepening the practice through improved techniques to strengthen evidentiary conclusions Written by two pioneers in the field Forensic Podiatry includes over one hundred detailed illustrations to serve as an invaluable resource for students practicing forensic podiatrists legal professionals and those new to the profession

Digital Technology for Forensic Footwear Analysis and Vertebrate Ichnology Matthew R. Bennett, Marcin Budka, 2018-08-25 There is no branch of detective science which is so important and so much neglected as the art of tracing footsteps Happily I have always laid great stress upon it and much practice has made it second nature to me Sherlock Holmes Study of Scarlet Despite the fictional nature of Sherlock Holmes this statement rings true today The study of footwear is neglected in modern forensic practice and does have much to offer What it needs is an injection of technology and modern analytical tools These tools are emerging from the digital revolution currently transforming vertebrate ichnology Ichnology is the discipline of earth science which focuses on the study of trace fossils such as footprints This book draws upon both disciplines geology ichnology and forensic science to show how the two have much to learn from each other especially with regard to the digital capture and analysis of footprints This book presents field and laboratory methods associated with the collection analysis and presentation of three dimensional tracks footprints whether from a crime scene or a geological archaeological excavation It shows students researchers and practitioners how to collect and analyse 3D data and take advantage of the digital revolution transforming ichnology This book is not only essential reading for forensic and earth science students but also for professional forensic practitioners as well as for applied computer scientists developing new tools for visualization and analysis of 3D data The book forms a natural methods focused complement to the successful text Fossilised Locomotion published by Springer 2014
