Hope Transformed Joy Cruse, 2011-12-22 For five years Joy and Tait Cruse walked closely with God while their four year old son Connor battled stage IV cancer Throughout this time their primary focus was to navigate through the toughest battle of their lives without losing their hope in Christ Hope Transformed offers a simple guide in devotional self help format for readers to work through their own battles while garnering strength from God Many authors offer hope for readers during the battle Hope Transformed also speaks to readers who by not having their desires realized feel defeated and lost In the final chapters of the book they use their post battle wisdom to answer the compelling question Where do you go when God says no The focus of this book is not about the loss of Connor Connor s life was the stimulus to finding faith and hope in their battle and their loss At first their hope was in Connor s healing but ultimately their hope was found in Christ Charisma and Christian Life , 1993
