Authentic Faith Gary L. Thomas, 2003-06-09 This book provides an inspiring positive approach to what some call the negative truths of Scripture and presents a timeless but contemporary look at faith's real attributes of sacrifice selfless love and discipleship at a time when society and even the Christian community is focused on blessing and comfort **Authentic Faith** Gary Thomas, 2009-07-27 The faith God calls us to is far more than glowing positivism that shields us from life's struggles It is one that guides us into a deepening intimacy with the God who sustains us in the broad sweep of life Bestselling author Gary Thomas helps us sharpen our spiritual vision and fortify our commitment to Christ by examining ten disciplines God uses to forge a fire tested faith A biblical view of these disciplines can safeguard us from disillusionment when not if difficulties surface in our lives Sharing scriptural insights the wisdom of Christians through the centuries and cogent personal observations Thomas explores the disciplines of selflessness waiting suffering persecution social mercy forgiveness mourning contentment sacrifice hope and fear As Thomas reminds us faith is about something other than a smooth ride through this fallen world Rather authentic faith is shaped tempered and purified in the flames of struggle This eye opening look at what it means to be a true disciple of Jesus will encourage you bolster your faith and help you rise above shallow attachments to fix your heart on things of eternal worth The Masses are the Ruling Classes William M. Epstein, 2017 The Masses are the Ruling Classes argues that popular sentiments rule social decision making and that elites are essentially obedient to democratic preferences and not the other way around The US is deeply committed to a series of values extreme individualism emotional sources of truth and a sense of chosenness that stunt its social development These ideas are developed in the context of iconic social welfare programs Faith Reads David Rainey, 2008-07-30 At last a resource for librarians who wish to build or develop their nonfiction collection and use it to better serve the needs of adult Christian readers Covering the three major branches of Christianity Roman Catholic Protestant and Orthodox the author organizes more than 600 titles into subject categories ranging from biography the arts and education to theology devotion and spiritual warfare Award winning classics are noted Introductory narrative frames the literature and helps librarians better understand Christian literature and learn how to establish selection criteria for building a Christian nonfiction collection *Beyond the Broken Church* Sarah Raymond Cunningham, 2014-04-22 Beyond the Broken Church is a collection of heartfelt learnings from Sarah Cunningham a young adult raised in the faith about the church she's not always sure she wants to be part of The book engages concerns of a disillusioned generation head on and offers hope and honest practical ideas for moving beyond one's frustrations In the end Beyond the Broken Church tells a story that will be familiar to many the journey of overcoming disillusionment and staying the course This revised and expanded version of the popular book Dear Church revisits the existing book with additional chapters fresh statistics new insights into why people are leaving the church and a resource guide for those who care about the disillusioned and want to understand them better Beyond the

Bulletproof Chuck Holton, 2009-05-27 Would you like to have the confidence the kind of driving purpose that shuts out all fear Do you want your life to be filled with adventure There are many kinds of soldiers and the ones that this book is written for don't necessarily wear a uniform The missions these soldiers undertake have more than just political or historical significance they are impacting eternity Bulletproof is a field manual for the Christian soldier It addresses the issues of fear and risk from a Christian perspective using primarily military examples and analogies Holton teaches believers how to overcome fear and join the ranks of the army of God Terrorism Murder Disease Job Loss Road Rage Weapons of Mass Destruction Environmental Disaster What Are You Scared By every sense of reason you should be By faith you don't have to be God's soldiers are issued body armor Peace that surpasses understanding But you must choose to put it on Chuck Holton reveals how to claim this peace of mind and rest in the sovereignty of God's plan while stationed in our dangerous world Not denying legitimate causes for fear Holton's balanced perspective to living boldly as a Christian today offers refreshing hope in the midst of rampant anxiety Because when you begin seeing things from the Commander's perspective you won't have to dodge bullets Until your mission is complete you are bulletproof Story Behind the Book In October 2002 a sniper started killing people at random in the area where I live The community almost ground to a standstill with people refusing to leave their homes drive the streets or send their children to school until the killer was found What disturbed me most was the reaction of many of my fellow Christians one of fear just like their unsaved neighbors I felt we were passing up a perfect opportunity to model the peace that passes all understanding to a very needy audience Since then I have come to realize that the Bible almost in its entirety tells us over and over again that we should not be afraid A life lived trusting God is a fearless confident life that will draw others to it *Faith, Hope, and Love in the Kingdom of God* Robert Hernan Cubillos, 2017-04-27 We live in a world full of challenges The three graces can almost be seen as motors for Christian life in today's world but the words faith hope and love have so many everyday uses that their technical theological meanings are for many difficult to appreciate Modern life also leaves many yearning for authenticity and meaning Many religions have answered that need by calling to mind the image of a path Always profound progressions religious paths tend to be motivated either by practices the act of walking the path or focal points Christianity has a focal point an object and it sees the three graces as distinctively content filled The heart of this book is about helping people find the Christian path and their intellectual emotional and spiritual balance an equilibrium that is sustained by a strong personal faith an enduring hope for the future and genuine love that will withstand the worst of times It contributes to the category of Christian literature that provides a pattern for Christian living without surrendering the intellect to the more popular side of this genre *The One Year Book of Hope* Devotional Nancy Guthrie, 2012-03 This popular devotional is now in a special LeatherLike edition In this life pain and
