Authoritarianism And Polarization In American Politics:

Authoritarianism and Polarization in American Politics Marc J. Hetherington, Jonathan D. Weiler, 2009-08-24

Although politics at the elite level has been polarized for some time a scholarly controversy has raged over whether ordinary Americans are polarized This book argues that they are and that the reason is growing polarization of worldviews what guides people's view of right and wrong and good and evil These differences in worldview are rooted in what Marc J Hetherington and Jonathan D Weiler describe as authoritarianism They show that differences of opinion concerning the most provocative issues on the contemporary issue agenda about race gay marriage illegal immigration and the use of force to resolve security problems reflect differences in individuals levels of authoritarianism Events and strategic political decisions have conspired to make all these considerations more salient The authors demonstrate that the left and the right have coalesced around these opposing worldviews which has provided politics with more incandescent hues than before

Authoritarianism and Polarization in American Politics Marc J. Hetherington, Jonathan Daniel Weiler, 2014-05-14

The left and right in America are now divided by politically irreconcilable worldviews and the root of that divide is authoritarianism

The Rise of Trump

Matthew C MacWilliams, 2016-09-28 Is the rise of Trump an anomaly or is it merely a new expression of an old tendency in American politics Matthew MacWilliams offers a succinct review of American political history the theoretical literature on authoritarianism and surveys of political attitudes surrounding the 2016 elections to explore the Trump phenomenon and its portents

Trump, White Evangelical Christians, and American Politics

Anand Edward Sokhey, Paul A. Djupe, 2024-03-05 In *Trump White Evangelical Christians and American Politics* political scientists Anand Edward Sokhey and Paul A Djupe bring together a wide range of scholars and writers to examine the relationship between former President Donald Trump and white American evangelical Christians They argue that while this relationship which saw evangelicals supporting a famously unfaithful materialistic and irreligious candidate despite self defining in opposition to these characteristics prompted many to wonder if Trump himself transformed American evangelical religion in politics this alliance reflected both change and the outcome of dynamics that were in place or building for decades Contributors contextualize the Trump presidency within the story of religious demographic change the growth of politicized religion nationalistic religious expression and the ways religion and politics in the United States are enmeshed in the politics of race These investigations find that the idea of religious transformation is not accurate Instead the years 2015 to 2022 saw mainly minor changes to the ways religion appeared in public life but these changes ultimately complemented and advanced an existing white evangelical strategy to increase political and social power as they became a demographic minority in the United States Taken together this collection reveals new insights for readers seeking to understand the religious dimensions of Trump's rise the reasons evangelicals become political activists and the multifaceted alliances between secular politicians and conservative religious subcultures Contributors Abraham Barranca Ruth Braunstein Ryan P Burge David E Campbell

Jeremiah J Castle Paul A Djupe John C Green Sarah Heise Geoffrey C Layman Andrew R Lewis Gerardo Mart Eric L McDaniel Napp Nazworth Shayla F Olson Enrique Quezada Llanes Kaylynn Sims Anand Edward Sokhey Hilde L vdal Stephens Kyla K Stepp Allan Tellis *Routledge Handbook of Illiberalism* András Sajó, Renáta Uitz, Stephen Holmes, 2021-11-29 The Routledge Handbook of Illiberalism is the first authoritative reference work dedicated to illiberalism as a complex social political cultural legal and mental phenomenon Although illiberalism is most often discussed in political and constitutional terms its study cannot be limited to such narrow frames This Handbook comprises sixty individual chapters authored by an internationally recognized group of experts who present perspectives and viewpoints from a wide range of academic disciplines Chapters are devoted to different facets of illiberalism including the history of the idea and its competitors its implications for the economy society government and the international order and its contemporary iterations in representative countries and regions The Routledge Handbook of Illiberalism will form an important component of any library s holding it will be of benefit as an academic reference as well as being an indispensable resource for practitioners among them journalists policy makers and analysts who wish to gain an informed understanding of this complex phenomenon

Mediations of Social Life in the 21st Century Harry F. Dahms, 2014-11-07 The essays included in this volume illuminate mediations of the individual society relationship from a variety of angles both explicitly and implicitly They highlight the need to consider the consequences of choices made by collective decision makers politicians and leaders of organizations

Handbook on Democracy and Security Nicholas A. Seltzer, Steven L. Wilson, 2023-01-06 The Handbook on Democracy and Security offers an insightful new interpretation of the topic that reframes the contemporary challenge of democracy away from competing ideologies or external existential threats and centres on the security of democracy in the minds and lived experience of its citizens **The Ideational Approach to Populism** Kirk A. Hawkins, Ryan E. Carlin, Levente

Littvay, Cristóbal Rovira Kaltwasser, 2018-10-11 Populism is on the rise in Europe and the Americas Scholars increasingly understand populist forces in terms of their ideas or discourse one that envisions a cosmic struggle between the will of the common people and a conspiring elite In this volume we advance populism scholarship by proposing a causal theory and methodological guidelines a research program based on this ideational approach This program argues that populism exists as a set of widespread attitudes among ordinary citizens and that these attitudes lie dormant until activated by weak democratic governance and policy failure It offers methodological guidelines for scholars seeking to measure populist ideas and test their effects And to ground the program empirically it tests this theory at multiple levels of analysis using original data on populist discourse across European and US party systems case studies of populist forces in Europe Latin America and the US survey data from Europe and Latin America and experiments in Chile the US and the UK The result is a truly systematic comparative approach that helps answer questions about the causes and effects of populism *Curbing the Court* Brandon L. Bartels, Christopher D. Johnston, 2020-08-20 What motivates political actors with diverging interests to respect the

Supreme Court's authority. A popular answer is that the public serves as the guardian of judicial independence by punishing elected officials who undermine the justices. Curbing the Court challenges this claim, presenting a new theory of how we perceive the Supreme Court. Bartels and Johnston argue that contrary to conventional wisdom, citizens are not principled defenders of the judiciary. Instead, they seek to limit the Court's power when it suits their political aims, and this inclination is heightened during times of sharp partisan polarization. Backed by a wealth of observational and experimental data, Bartels and Johnston push the conceptual, theoretical, and empirical boundaries of the study of public opinion of the courts. By connecting citizens to the strategic behavior of elites, this book offers fresh insights into the vulnerability of judicial institutions in an increasingly contentious era of American politics.

Understanding American Political Parties Jeffrey M. Stonecash, 2013. How do parties respond to the electorate and craft winning strategies? In the abstract, parties are the vehicles to make democracy work, but it is often difficult to see the process working as well as we think it might. Indeed, voters often struggle to see parties as the valuable vehicles of representation that so many academics describe. There is a clear discrepancy between the ideal expressed in many textbooks and the reality that we see playing out in politics. Noted scholar Jeffrey Stonecash gives us a big picture analysis that helps us understand what is happening in contemporary party politics. He explains that parties behave the way they do because of existing political conditions and how parties adapt to those conditions as they prepare for the next election. Parties are unsure if realignment has stabilized and just what issues brought them their current base. Does a majority support their positions, and how are they to react to ongoing social change? Is the electorate paying attention, and can parties get a clear message to those voters? This book focuses on the challenges parties face in preparing for future elections while seeking to cope with current conditions. This coping leads to indecisiveness of positioning, simplification of issues, repetition of messages, and efforts to disparage the reputation of the opposing party. Stonecash sheds much needed light on why parties engage in the practices that frustrate so many Americans.

Authoritarianism And Polarization In American Politics Introduction

In the digital age, access to information has become easier than ever before. The ability to download Authoritarianism And Polarization In American Politics has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Authoritarianism And Polarization In American Politics has opened up a world of possibilities.

Downloading Authoritarianism And Polarization In American Politics provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Authoritarianism And Polarization In American Politics has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Authoritarianism And Polarization In American Politics. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Authoritarianism And Polarization In American Politics. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Authoritarianism And Polarization In American Politics, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Authoritarianism And Polarization In American Politics has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a

popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Authoritarianism And Polarization In American Politics Books

What is a Authoritarianism And Polarization In American Politics PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Authoritarianism And Polarization In American Politics PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Authoritarianism And Polarization In American Politics PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Authoritarianism And Polarization In American Politics PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Authoritarianism And Polarization In American Politics PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and

local laws.
