**in China** Wei Gao, 2025-02-18 This book provides an up to date and comprehensive institutional analysis of online dispute resolution ODR with a focus on the developments in China as well as their doctrinal and practical implications globally In the book a wide range of ODR mechanisms including online arbitration online litigation online mediation crowdsourced ODR and blockchain escrow services and more are thoroughly examined and compared through an original analytical framework that highlights the evolutionary trajectories of dispute resolution in the digital era The author leverages several empirical studies and her experience working with the Supreme People s Court on formulating the rules for online courts She presents an insightful panoramic overview of ODR practices across Chinese courts arbitration commissions and online businesses including detailed case studies and critical analyses of major digital platforms such as Taobao and the internet courts which informs not only a new conception of justice adapted to the internet society but also different developmental paths for both established and emerging methods of ODR This book will appeal to scholars practitioners and policymakers with an interest in online dispute resolution online courts law and technology as well as digital platforms and the internet economy

*Resources in Education* , 1998      **Recognition and Enforcement of Foreign Arbitral Awards** George A. Bermann, 2017-07-17 This book examines how the Convention on the Recognition and Enforcement of Foreign Arbitral Awards commonly known as The New York Convention has been understood and applied in insert number jurisdictions including virtually all that are leading international arbitration centers It begins with a general report surveying and synthesizing national responses to a large number of critical issues in the Convention s interpretation and application It is followed by national reports all of which are organized in accordance with a common questionnaire raising these critical issues Following introductory remarks each report addresses the following aspects of the Convention which include its basic implementation within the national legal system enforcement by local courts of agreements to arbitrate including grounds for withholding enforcement recognition and enforcement of foreign awards by local courts under the Convention including grounds for denying recognition and enforcement and essential procedural issues in the courts conduct of recognition and enforcement Each report concludes with an overall assessment of the Convention s interpretation and application on national territory and recommendations if any for reform The New York Convention was intended to enhance the workings of the international arbitral system primarily by ensuring that arbitral awards are readily recognizable and enforceable in States other than the State in which they are rendered subject of course to certain safeguards reflected by the Convention s limited grounds for denying recognition or enforcement It secondarily binds signatory states to enforce the arbitration agreements

on the basis of which awards under the Convention will be rendered Despite its exceptionally wide adoption and its broad coverage the New York Convention depends for its efficacy on the conduct of national actors and national courts in particular Depending on the view of international law prevailing in a given State the Convention may require statutory implementation at the national level Beyond that the Convention requires of national courts an apt understanding of the principles and policies that underlie the Convention s various provisions Through its in depth coverage of the understandings of the Convention that prevail across national legal systems the book gives practitioners and scholars a much improved appreciation of the New York Convention on the ground
