Saturday Faith Charles Ensminger, 2021-07-16 Saturday Faith deals with the times between Friday and Sunday which in Christian parlance are associated with Good Friday and Easter Sunday Yet what can be said about the time between the loss of one hope and the emergence of something new What about the moments of hopelessness In Saturday Faith the issue of hopelessness is examined as both an issue found in the Bible and as an experience through which one can travel Hopelessness is actually a part of the journey of faith Saturday Faith sets out to examine the stages of faith and demonstrate how one's theology can fall apart in crisis In this assessment one can begin to recognize that even in places of hopelessness there is more faith to be found in those Saturday times Saturday Faith shows how Job the disciples and even Jesus experienced hopelessness What the reader can hear in these pages that if one finds themselves walking through a Saturday time in life they are not as hopeless or alone as they might feel It may require a shift in thinking but Saturday is not where the story ends

Deconstructing Jesus Robert M. Price, 2009-09-25 After more than a century of New Testament scholarship it has become clear that the Jesus of the gospels is a fictive amalgam reflecting the hopes and beliefs of the early Christian community and revealing very little about the historical Jesus Over the millennia since the beginning of Christianity various congregations from fundamentalist to liberal have tended to produce a Jesus figurehead that functions as a symbolic cloak for their specific theological agendas Through extensive research and fresh textual insights Robert M Price paves the way for a new reconstruction of Christian origins Moving beyond the work of Burton L Mack and John Dominic Crossan on Jesus movements and Christ cults which shows how the various Jesus figures may have amalgamated into the patchwork savior of Christian faith Price takes an innovative approach He links the work of F C Baur Walter Bauer Helmut Koester and James M Robinson with that of early Christ myth theorists two camps of biblical analysis that have never communicated Arguing that perhaps Jesus never existed as a historical figure Price maintains an agnostic stance while putting many puzzles and scholarly debates in a new light He also incorporates neglected parallels from Islam the Baha'i Faith and Buddhism

Deconstructing Jesus provides a valuable bridge between New Testament scholarship and early freethinkers in a refreshing cross fertilization of perspectives

Trott,2019-09-18 What do Christianity and librarianship have in common Netherlands Prime Minister and theologian Abraham Kuyper 1837 1920 was among the first in the modern era to attempt to rejoin the dichotomy of sacred vs secular study when he said no single piece of our mental world is to be hermetically sealed off from the rest Over the years a number of publications have followed Kuyper s lead yet little has been written on the subject since Greg A Smith s notable Christian Librarianship 2002 Building on Smith s work this volume seeks to bridge the sacred secular divide with an exploration of how Christianity and the gospel are manifested through the profession of librarianship
