

Possible Artifacts for Danielson Domains One and Four

Note: Educators will provide artifacts as evidence for Domains 1 and 4. These are the ‘behind the scenes’ components, typically not observable in a classroom setting. Evidence for Domains 2 and 3 will be collected via classroom observations and mini-walkthroughs.

This list was compiled from the contributions of a number of educators in the CESA #4 Educator Effectiveness Pilot (2013-2014). It is intended to guide thinking about artifacts that might be considered for each component. Please note that no educator would want or need to upload all of these, and that there may be other high quality artifacts that would provide evidence for a given component.
