

A New Tune A Day *for* Trombone

Since it first appeared in the 1930s, the concise, clear content of the best-selling *A Tune A Day* series has revolutionised music-making in the classroom and the home.

Now, for the first time, C Paul Herfurth's original books have been completely rewritten with new music and the latest in instrumental technique for a new generation of musicians. The *A New Tune A Day* books have the same logical, gentle pace, and keen attention to detail, but with a host of innovations: the inclusion of an audio CD – with actual performances and backing tracks – will make practice even more fun and exciting, and the explanatory diagrams and photographs will help the student to achieve the perfect technique and tone.

This book contains:

- Advice on equipment
- Instructions for an effective embouchure and a comfortable posture
- Explanatory section on reading music
- Easy-to-follow lessons on clear, uncluttered pages
- Audio CD with a virtuoso performance, backing tracks and audio examples
- Great music including duets and rounds
- Tests to check progress and comprehension
- Useful pull-out chart giving all harmonics and positions

Amos Miller, a graduate of Oxford University and an Associate of the Royal Academy of Music, is principal trombone with the Royal Ballet Orchestra. He is also a regular guest principal with all the major London orchestras and a founder member of Oxy's Brass, and teaches trombone for the Royal Air Force.
