a trio of pretty cowgirls wearing white hat crowns Not surprisingly modern day Stampede Queens and Princesses make more than 450 public appearances per year promoting the show and the city of Calgary both at home and abroad But the fair was nearly six decades old before it appointed a royal representative to promote its interests In 1946 Patsy Rodgers became the Stampede s first rodeo queen The following year a local service club raised funds by sponsoring a contest for Queen of the Stampede Although it bore little resemblance to its modern counterpart this early competition based on ticket sales was widely popular and over the next few decades raised the equivalent of one million dollars for local charities and service projects From the beginning the Stampede recognized the promotional potential of the royal figureheads and worked to ensure that winners were credible representatives of what quickly became a year round public relations job In 1966 the Stampede officially took over and modernized the contest but it would take many decades of trial and error evolution to perfect the process of selecting and training its royalty Against a backdrop of changing times and drawing on contemporary sources and personal interviews the author traces the origin and development of the Calgary Stampede Queen contest and profiles its lucky young winners over seven exciting decades Complete with a large selection of archival photos Calgary s Stampede Queens tells the story from this fascinating corner of The Greatest Outdoor Show on Earth **Absolutely Alfie and The Princess Wars** Sally Warner,2018-09-04 Alfie tries to save Halloween from too many princesses in this fourth book in the Absolutely Alfie series It s almost Halloween at Alfie s school and everyone is excited to dress up in costumes for the class Halloween party Shy Bella asks Alfie if she wants to be bunny rabbits together but then all of Alfie s other friends are going to be princesses Alfie is so torn Can she be both and not hurt anyone s feelings Probably not **The Fairy Squad Princesses** Marcus Moutra,2022-05-01 NOTE THIS IS THE SECOND EDITION AS OF MAY 1ST 2022 Once again after another enduring battle against the Dark Warriors the Light Guardians were finally able to rest before heading into their third year of magic school WRONG Instead of relaxing during their summer vacation a floating castle made of ice appeared out of nowhere in the sky of Downtown Los Angeles Melisma ends up having to put her studio time with her father on the back burner and alert her besties To no surprise the Vortex and nitwits are a part of the disturbance Not only have the adversaries returned but they look different The longtime enemies have teamed up with some new enemies who claim they re from the future Will Serena Max and their friends be able to triumph over evil again Or will darkness finally prevail **Lives of the Queens of Scotland and English Princesses Connected with the Regal Succession of Great Britain** Agnes Strickland,1859 **The Profligate Duke** Mary Soames,1987
