Virginia Woolf, Literary Materiality, and Feminist Aesthetics Amber Jenkins, 2023-09-01 This book interrogates the relationship between the material conditions of Woolf's writing practices and her work as a printer and publisher at the Hogarth Press In bringing to light her embodied literary processes from drafting and composition to hand printing and binding this study foregrounds the interactions between Woolf's modernist experimentation and the visual and material aspects of her printed works By drawing on the field of print culture as well as the materialist turn in Woolf scholarship it explores how her experience in print book design and publishing underlines her experimental writing and how her literary texts are conditioned by the context of their production This book therefore provides new ways of reading Woolf's modernism in the context of twentieth century print material and visual

cultures By suggesting that Woolf's work at the Hogarth Press sensitized her to the significant role the visual aspects of a text play in its system of representation it also considers the extent to which materiality informs both her work as well as her engagement with Bloomsbury formalist aesthetics which often exaggerate the distinction between visual and verbal modes of expression
