Transforming Gender Equality and Inclusion Within Higher Education in Ireland Lorraine McIlrath, Lorraine Leeson, Helen Maher, Marie

Connolly,2025-08-28 This open access book thematically reflects on and analyses the nature of change and transformation with respect to gender equality inclusion and diversity across higher education in Ireland from the perspectives of those who are pioneering change The authors propose that power gender dynamics and social relations can be challenged and altered through collective action transforming the national policy framework establishing a comprehensive evidence base adopting new policy and approaches to promote equality in practice They outline significant advances made in a 10 year period in terms of overcoming inequalities structural challenges promoting inclusion and advancing diversity This is achieved by consolidating the activities related to gender review processes and practices higher education policy policy enactment at the local level and lessons learned from national policy strategy and funding models The chapters in this volume presented under four thematic headings showcase pioneering practice to a national and international audience and represent a contemporary opportunity to reflect on the nature of change within the context of higher education in Ireland The book will be of interest to academics working in higher education EDI gender studies disability studies and social justice in education as well as higher education leadership policymakers and EDI practitioners Reading Women's Worlds from Christine de Pizan to Doris

Lessing S. Jansen,2011-04-25 In this work Jansen explores a recurring theme in writing by women the dream of finding or creating a private and secluded retreat from the world of men These imagined women s worlds may be very small a single room for example but many women writers are much more ambitious fantasizing about cities even entire countries created for and inhabited exclusively by women *Graphics Recognition. Recent Advances and Perspectives* Josep Lladós,Young-Bin
