call her The Talk funny girl but as the nearby factory town sinks deeper into economic ruin and as her parents fall more completely under the influence of a sadistic cult leader her options for escape dwindle But then thanks to a loving aunt Marjorie is hired by a man himself a victim of abuse who is building what he calls a cathedral right in the center of town Day by day Marjorie s skills as a stoneworker increase and so too does her intolerance for the bitter rules of her family life Gradually through exposure to the world beyond her parents wood cabin thanks to the kindness of her aunt and her boss and an almost superhuman determination she discovers what is loveable within herself This newfound confidence and self esteem ultimately allows her to break free from the bleak life she has known to find love to start a family and to try to heal her old deep wounds without passing that pain on to her husband and children By turns darkly menacing and bright with love and resilience The Talk Funny Girl is the story of one young woman s remarkable courage a kind of road map for the healing of early abuse and a testament to the power of kindness and love *Fun for the Million, Or, The Laughing Philosopher* ,1835
