Harry Johnson, 2018-03-16 First published in the 1860s Harry Johnson's Bartenders Manual is part of the classic bar books
and one of its oldest exemplars The author has been one of the first bartenders who not only had general and wise thoughts
about his profession he also committed his experiences and opinions to paper and wrote a teaching book for beginners and
professionals Doing this he laid the foundation for following generations and stands beside Jerry Thomas at the beginning
of a long list of famous bartenders In his book Harry Johnson carries the reader into times where it was obviously necessary
to remind bartenders not to chew on a toothpick or a cigar when on a job interview not to spit on the floor or pursue other
bad habits He gives advice how to conduct a bar as well as how to treat employees and guests how to handle beer casks and
wine bottles what stock is needed in a bar or restaurant how to keep the business books and much more The second half of
the book contains recipes for cocktails punches bowls and other drinks famous in USA and Europe during this time There you
can also find the presumably first mention of the Martini cocktail as well as instruction of how to mix absinth and chill
champagne The Bartenders Manual is not only a window to the past it also shows how professional some bartenders of that
time pursued their business a fact we almost forget or ignore as we connect the USA of the 19 century with dusty saloons
and dirty beer glasses Some parts of the book may seem out of date who is still using blocks of ice or keeps guspadors for his
guests but it is still a must have for professionals and enthusiastic hobby barkeepers and gives precious insights of the
beginning of bar culture Meehan's Bartender Manual Jim Meehan, 2017-10-17 A knowledge filled tome for true cocktail
nerds or those aspiring to be Esquire from one of the world's most acclaimed bartenders WINNER OF THE JAMES BEARD
AWARD WINNER OF THE TALES OF THE COCKTAIL SPIRITED AWARD FOR BEST NEW COCKTAIL OR BARTENDING

BOOK IACP AWARD FINALIST Meehan's Bartender Manual is acclaimed mixologist Jim Meehan's magnum opus and the first book of the modern era to explain the bar industry from the inside out With chapters that mix cocktail history with professional insights from experts all over the world this deep dive covers it all bar design menu development spirits production drink mixing technique the craft of service and art of hospitality and more The book also includes recipes for 100 cocktails culled from the classic canon and Meehan's own storied career Each recipe reveals why Meehan makes these drinks the way he does offering unprecedented access to a top bartender's creative process Whether you're a professional looking to take your career to the next level or an enthusiastic amateur interested in understanding the how and why of mixology Meehan's Bartender Manual is the definitive guide

The New and Improved Illustrated Bartenders' Manual; Or: How to Mix Drinks of the Present Style Harry Johnson, 1888

Gaz Regan's Annual Manual for Bartenders, 2011 Gary Regan, 2012-01-13 gaz regan's Annual Manual for Bartenders will be the go to book for professional bartenders worldwide The Joy of Mixology regan's groundbreaking 2003 work has become required reading for staff members at many of today's top cocktail lounges and this new book is in many ways a sequel to that book The Annual Manual is directed specifically at working bartenders not consumers and this not only makes it stand apart from every other book in this genre it also adds appeal directly to the men and women who actually hold forth from behind the mahogany The Annual Manual is a book that bartenders can call their own Besides covering mixology and methodology essentials regan also provides readers with in depth lessons in bar philosophy in a section called The Mindful Bartender he salutes a dozen Fabulous Bartenders details eight Fabulous Innovators in the industry and provides recipes and commentary on the 101 Best New Cocktails from bartenders all over the world Add to this the first part of regan's serialized autobiography giving you a glimpse into the first 17 years of his life yes he has a story about the day he was born and you have a veritable compendium of a book put together with love and kisses by a bartender for bartenders If you're a bartender your library isn't complete with this book
