Basic Fears And How To Correct Them:

Basic Fears and how to Correct Them Manly P. Hall, 1959 Guidance on how to deal with life's conditions that are beyond one's control **Search for Reality: Basic fears and how to correct them** Manly Palmer Hall, 1959 *Executive Advantage* Jacqui Grey, 2013-02-03 The pressures on executives to succeed both internal and external are intense. They are constantly fighting to make sense of their changing worlds and to make the right decisions for themselves, their teams, and their business. *Executive Advantage* gives ambitious leaders the powerful strategies they need to become authentic 21st century leaders. It makes sense of the complexities faced by organizations, especially in the face of aggressive growth or conversely recession and downsizing. Any change presents challenges, and it's the leader's role to tackle these head-on. Understanding human needs and the consequences of not meeting these needs is key to effective handling of change, conflict, and executive gremlins—the barriers and sticking points that can get in the way of optimal business performance. Leadership expert Jacqui Grey presents a 10-step solution for leaders who are looking to make a real difference in their business.
