Bernard Shaw,2013-06-29 One day early in the eighteen hundred and sixties I being then a small boy was with my nurse buying something in the shop of a petty newsagent bookseller and stationer in Camden Street Dublin when there entered an elderly man weighty and solemn who advanced to the counter and said pompously Have you the works of the celebrated Buffoon My own works were at that time unwritten or it is possible that the shop assistant might have misunderstood me so far as to produce a copy of Man and Superman As it was she knew quite well what he wanted for this was before the Education Act of 1870 had produced shop assistants who know how to read and know nothing else The celebrated Buffoon was not a humorist but the famous naturalist Buffon Every literate child at that time knew Buffon s Natural History as well as Esop s Fables And no living child had heard the name that has since obliterated Buffon s in the popular consciousness the name of Darwin **Back to Methuselah** George Bernard Shaw,2021-05-11 Ten years elapsed The celebrated Buffoon was forgotten I had doubled my years and my length and I had discarded the religion of my forefathers One day the richest and consequently most dogmatic of my uncles came into a restaurant where I was dining and found himself much against his will in conversation with the most questionable of his nephews By way of making myself agreeable I spoke of modern thought and Darwin He said Oh thats the fellow who wants to make out that we all have tails like monkeys I tried to explain that what Darwin had insisted on in this connection was that some monkeys have no tails But my uncle was as impervious to what Darwin really said as any Neo Darwinian nowadays He died impenitent and did not mention me in his will **Back to Methuselah** George Shaw,2012-11-26 Back to Methuselah A Metabiological Pentateuch by George Bernard Shaw consists of a preface An Infidel Half Century and a series of five plays In the Beginning B C 4004 In the Garden of Eden The Gospel of the Brothers Barnabas Present Day The Thing Happens A D 2170 Tragedy of an Elderly Gentleman A D 3000 and As Far as Thought Can Reach A D 31 920 **Back to Methuselah** George Bernard Shaw,2001-04 This is a pre 1923 historical reproduction that was curated for quality Quality assurance was conducted on each of these books in an attempt to remove books with imperfections introduced by the digitization process Though we have made best efforts the books may have occasional errors that do not impede the reading experience We believe this work is culturally important and have elected to bring the book back into print as part of our continuing commitment to the preservation of printed works worldwide *Back to Methuselah* Bernard Shaw,1921 Five linked plays that expound Shaw s philosophy of creative evolution in an extended dramatic parable that progresses through time from the Garden of Edesn to AD 31 920 Cf Encyclopaedia Britannica *Back to Methuselah* Bernard Shaw,2016-05-19 This work has been selected by scholars as being culturally important and is part of
