Heroes, Heroines, and Everything in Between Christopher J. Olson,CarrieLynn D. Reinhard,2017-09-20 Current characters in children s entertainment media illustrate a growing trend of representations that challenge or subvert traditional notions of gender and sexuality From films to picture books to animated television series children s entertainment media around the world has consistently depicted stereotypically traditional gender roles and heterosexual relationships as the normal way that people act and engage with one another Heroes Heroines and Everything in Between Challenging Gender and Sexuality Stereotypes in Children s Entertainment Media examines how this media ecology now includes a presence for nonheteronormative genders and sexualities It considers representations of such identities in various media products e g comic books television shows animated films films children s literature meant for children e g toddlers to teenagers The contributors seek to identify and understand characterizations that go beyond these traditional understandings of gender and sexuality By doing so they explore these nontraditional representations and consider what they say about the current state of children s entertainment media popular culture and global acceptance of these gender identities and sexualities *Life at Home in the Twenty-First Century* Jeanne E. Arnold,Anthony P. Graesch,Elinor Ochs,Enzo Ragazzini,2012-12-31 Winner of the 2014 John Collier Jr Award Winner of the Jo Anne Stolaroff Cotsen Prize Life at Home in the Twenty First Century cross cuts the ranks of important books on social history consumerism contemporary culture the meaning of material culture domestic architecture and household ethnoarchaeology It is a distant cousin of Material World and Hungry Planet in content and style but represents a blend of rigorous science and photography that

these books can claim Using archaeological approaches to human material culture this volume offers unprecedented access to the middle class American home through the kaleidoscopic lens of no limits photography and many kinds of never before acquired data about how people actually live their lives at home Based on a rigorous nine year project at UCLA this book has appeal not only to scientists but also to all people who share intense curiosity about what goes on at home in their neighborhoods Many who read the book will see their own lives mirrored in these pages and can reflect on how other people cope with their mountains of possessions and other daily challenges Readers abroad will be equally fascinated by the contrasts between their own kinds of materialism and the typical American experience The book will interest a range of designers builders and architects as well as scholars and students who research various facets of U S and global consumerism cultural history and economic history

Encyclopedia of Gender in Media Mary Kosut,2012-05-01 The media strongly influences our everyday notions of gender roles and our concepts of gender identity The Encyclopedia of Gender in Media critically examines the role of the media in enabling facilitating or challenging the social construction of gender in our society The work addresses a variety of entertainment and news content in print and electronic media and explores the social construction of masculinity as well as femininity In addition to representations of gender within the media we also analyze gender issues related to media ownership and the media workforce Despite an abundance of textbooks anthologies and university press monographs on the topic of gender in media until now no comprehensive reference work has tackled this topic of perennial interest in student research and papers Features and benefits 150 signed entries each with Cross References and Further Readings are organized in A to Z fashion to give students easy access to the full range of topics within gender in media A thematic Reader s Guide in the front matter groups related entries by broad topical or thematic areas to make it easy for users to find related entries at a glance with themes including Discrimination Media Effects Media Modes New Media Media Portrayals Representations Biographies and more In the electronic version the Reader s Guide combines with a detailed Index and the Cross References to provide users with robust search and browse capacities A Chronology in the back matter helps students put individual events into broader historical context A Glossary provides students with concise definitions to key terms in the field A Resource Guide to classic books journals and web sites along with the Further Readings accompanying each entry helps guide students to further resources for their research journeys An Appendix provides users with a number of reports related to gender in media

Barbie's Queer Accessories Erica Rand,1995 This book discusses the history of the Barbie doll and at the cultural reappropriations of Barbie by artists collectors and especially lesbians and gay men

Critical Pedagogies of Consumption Jennifer A. Sandlin,Peter McLaren,2010-09-28 Distinguished international scholars from a wide range of disciplines explore consumption and its relation to learning identity development and education This volume is unique within the literature of education in its examination of educational sites both formal and informal where learners and teachers are resisting consumerism and

enacting a critical pedagogy of consumption
