A Book Sale How-To Guide Pat Ditzler, JoAnn Dumas, 2012-02-17 The authors provide a tested and successful formula for making money for local libraries in a practical and fun way a library book sale *Breaking Bad Habits* Freek Vermeulen, 2018-10-09 Could some best practices be bad Have you ever wondered why most newspapers are so large Or why management consultants work such long hours Or why hotels still insist on having check in desks Ask anyone in these industries and their answer will be the same That s the way we ve always done it Best practices may be widespread but that doesn t mean they re effective In many instances the opposite is true best practices can be outdated harmful and a hindrance to innovation These bad practices are all too common in organizations and managers and executives can be blind to their pernicious effects Since they ve worked in the past or have been adopted with success by other firms their purpose or effectiveness is rarely questioned As a consequence these practices spread and persist In *Breaking Bad Habits* Freek Vermeulen a strategist with a keen eye for the absurd offers the tools to identify these practices and rid them from your organization And most of all he presents a compelling case for how eliminating popular but outworn ideas processes and strategies can create new opportunities for innovation and growth Brimming with examples of norm defying organizations in an eclectic range of industries including IVF clinics hotels newspapers and a famous London theater *Breaking Bad Habits* will make you rethink your long held beliefs about industry norms while encouraging you to reinvigorate your business by breaking out of the status quo
