Barnes And Noble Reading Program:

Successful Summer Reading Programs for All Ages Katie Fitzgerald, 2018-03-01 The summer reading program is the focal point of a children's librarian's year requiring countless hours of preparation and nearly year-round promotion. Summer reading programs for teens and adults are also offered in many communities adding to that workload and bringing together librarians from different departments to accomplish the required tasks. In a single volume *Successful Summer Reading Programs for All Ages: A Practical Guide for Librarians* provides the tools necessary to put together successful summer reading programs for each of these different age groups. Key elements include: Sample program ideas for early childhood, school age, teen and adult readers to suit any summer reading theme; Best practices for promoting summer reading to the community; Troubleshooting for common difficulties associated with summer reading programs; Tips and tricks for using software programs to manage registration and track readers' progress. Public librarians serving children, teens and/or adults will find everything they need to put together a successful summer reading program in this comprehensive handbook.

Sizzling Summer Reading Programs for Young Adults Katharine L. Kan, 2006-01-02 Offers over fifty ideas to promote young adult reading including such theme programs as crime scene investigation, poetry workshops, readings combined with field trips and cross-cultural events featuring henna tattooing and food.

Children's Literature in the Reading Program Deborah A. Wooten, Lauren Aimonette Liang, Bernice E. Cullinan, 2018-06-15 This indispensable teacher resource and course text, now revised and updated, addresses the whys, whys, and how-tos of incorporating outstanding children's literature into the K-8 reading program. A strong emphasis on diverse literature is woven throughout the fifth edition with chapters emphasizing the need for books that reflect their readers and presenting dozens of carefully reviewed books that teachers will be eager to use in the classroom. Leading authorities provide advice on selecting texts, building core literacy and literary skills, supporting struggling readers, and maximizing engagement. The volume offers proven strategies for teaching specific genres and formats such as fiction, nonfiction, picturebooks, graphic novels, biographies, and poetry. This title is a copublication with the International Literacy Association. New to This Edition: Many new teaching ideas and book recommendations with an increased focus on culturally diverse literature. Scope expanded from K-5 to K-8. Chapter on using read-alouds and silent reading. Chapters on diverse literature about the arts and on transitional chapter books. Chapter on engaging struggling readers with authentic reading experiences.

Time-Module Intensive Reading Program Ross Graham, 2001-06 This is the first speed reading course ever accredited by the University of Paris. All general content developed in the Paris lectures and exercises are included herein. This system has been taught successfully to students and professionals in America, Europe, and has had great success in Japan. It represents a systematic attrition of bad reading habits through exercising good reading habits.
