 Employer **The Commercial Bartender's Training Manual** Robert A. Plotkin,1989 **Bartenders' Manual** Harry
 Johnson,2018-03-16 First published in the 1860s Harry Johnson's Bartenders Manual is part of the classic bar books and one
 of its oldest exemplar The author has been one of the first bartenders who not only had general and wise thoughts about his
 profession he also committed his experiences and opinions to paper and wrote a teaching book for beginners and
 professionals Doing this he laid the foundation for following generations and stands beside Jerry Thomas at the beginning
 of a long list of famous bartenders In his book Harry Johnson carries the reader into times where it was obviously necessary
 to remind bartenders not to chew on a toothpick or a cigar when on a job interview not to spit on the floor or pursue other
 bad habits He gives advice how to conduct a bar as well as how to treat employees and guests how to handle beer casks and
 wine bottles what stock is needed in a bar or restaurant how to keep the business books and much more The second half of
 the book contains recipes for cocktails punches bowls and other drinks famous in USA and Europe during this time There you
 can also find the presumably first mention of the Martini cocktail as well as instruction of how to mix absinth and chill
 champagne The Bartenders Manual is not only a window to the past it also shows how professional some bartenders of that
 time pursued their business a fact we almost forget or ignore as we connect the USA of the 19 century with dusty saloons
 and dirty beer glasses Some parts of the book may seem out of date who is still using blocks of ice or keeps guspadors for his
 guests but it is still a must have for professionals and enthusiastic hobby barkeepers and gives precious insights of the
 beginning of bar culture Become a perfect bartender Andreas Möbius,2023-11-16 A highly informative guide for anyone
 who wants to acquire or deepen their knowledge of the bar Andreas Möbius IHK certified hotel and bar master and has
 worked in the national and international hotel and catering industry for over four decades gives the professional the
