more about the influence of foreigners on America's national pastime **Major League Baseball Organizations** Frank P. Jozsa Jr., 2016-10-07 This book analyzes and highlights the development and success of major league baseball teams in the National League and the American League focusing on each team's performance in seasons and postseasons and to what extent each succeeded as a business enterprise despite competition for market share from other types of entertainment The book discusses historical and financial information about the 30 major league franchises Each chapter contains two core themes Team Performances and Franchise Business The former highlights which and how teams won division and league championships and World Series while the latter lists and compares financial data including their revenue gate receipts and operating income and describes interesting business topics Each chapter also provides an overview of when each franchise organized and why it joined MLB a brief profile of its current majority owner or ownership group records of teams special coaches and players attendances at home games and how their ballparks rank as a venue for fans Baseball Business explains why particular teams located in large mid-sized or small markets win more games and titles than others and when and how frequently that occurs Furthermore it provides ways to compare franchises financial success individually by division and by league By linking and comparing the historical performances of MLB teams to financial information about them as business organizations this book offers a unique contribution to the literature on the sports industry **American League**

Franchises Frank P. Jozsa Jr., 2015-12-09 This brief analyzes each of the Major League Baseball MLB franchises in the American League their past regular season and postseason records and financial performances while operating as competitive popular and profitable or unprofitable enterprises Using sport specific information and relevant demographic economic and financial data this brief will highlight when and how well these MLB teams performed and the financial status and significance of their organization as a member of an elite professional baseball league The brief also investigates the success of teams in terms of wins and losses based on home attendance at their ballparks market value and revenue Furthermore it compares the history productivity and prosperity of the franchises among rivals in their division like the Boston Red Sox and New York Yankees in the American League East Division Chicago White Sox and Detroit Tigers in the Central Division and Oakland Athletics and Los Angeles Angels of Anaheim in the West Division This brief will be of interest to practitioners and scholars who research the sports industry college and university professors who teach undergraduate and graduate students majoring in sports administration business economics and management and fans of the sport

National League Franchises: Team Performances Inspire Business Success Frank Jozsa, 2015-12-17 This brief analyzes each of the Major League Baseball MLB franchises in the National League and their past regular season and postseason records and financial performances while operating as competitive popular and profitable or unprofitable enterprises Using sport specific information and relevant demographic economic and financial data this brief will highlight when and how well these MLB teams performed and the financial status and significance of their organization as a member

of an elite professional baseball league The brief also investigates the success of teams in terms of wins and losses based on home attendance at their ballparks market value and revenue Furthermore it compares the history productivity and prosperity of the franchises among rivals in their division like the Atlanta Braves and New York Mets in the National League East Division Chicago Cubs and Cincinnati Reds in the Central Division and Los Angeles Dodgers and San Francisco Giants in the West Division This brief will be of interest to practitioners and scholars who research the sports industry college and university professors who teach undergraduate and graduate students majoring in sports administration business economics and management and fans of the sport *Passport* ,2007 **Congressional Record** United States.
