

East Side Parents, Guardians, and Players,

East Side has a strong history of success in the Cal Ripken/Babe Ruth All-Star Seasons. This season we will be holding our formal All Star Evaluations the weekend of June 3-4th at East Side (Age times will be released on our website and Facebook once they are set). Players in majors and AAA are currently being evaluated by All Star managers and coaches from the respective leagues. Nominations and voting will take place on Monday, June 5th. Any AAA or Majors manager may nominate a player from their team for All Stars. Each of the 11u and 12u age groups will have two All Star teams. The Red team is voted on by the managers. The top nine vote getters are automatically placed on the East Side Red team and the All Star manager then fills in the remainder of their rosters with coach's picks. The evaluation date on June 3rd/4th is evaluation only and what the players have done during the season is also part of their tryout. There will not be a scheduled make-up date for All Star evaluations for the 11u and 12u age groups. The younger age groups could possibly have one scheduled and that will be left up to the 10u, 9u, and 8u managers.

Currently East Side offers All- Stars at the following age groups, 12u, 11u, 10u, 9u, and 8u. Players must play in their respective age group. The only age groups that allows players to "play up" is at the 8u pitching machine level (7 yr olds are eligible). Once the tournament begins there are multiple qualifying levels: District, State, Ohio Valley (regional), and World Series (12u and 10u levels). Roster sizes can be between 12 and 15 players. Depending on interest East Side could have two teams at each age level, again this depends on interest and talent pool at that age level.

If you have any questions you may contact Jeff Yohe (jyohe3546@gmail.com), TJ Sult, or Jeb McNally through the East Side website (www.eastsidebaseballsoftball.org) or through our Facebook page.

Baseball's Wildest Season William J. Ryczek, 2023-03-10 At the end of the 1883 baseball season things looked rosy attendance had skyrocketed and the National League and American Association were at peace A year later however the sport was in total disarray A third major league the Union Association had come on the scene and waged a bitter war that rocked the baseball world By the dawn of the 1885 season the UA had dissolved in a sea of red ink the AA had dropped four teams and the minor leagues were desperately hoping to make it through the season Amid the chaos of 1884 were some historic moments Iron man pitcher Hoss Radbourn won 59 games and led the Providence Grays to victory over the New York Metropolitans in the first World Series Fleet Walker broke baseball's first color line There were a record eight no hitters and a cast of fascinating figures some famous some lost to history like Radbourn Hustling Horace Phillips Dan O'Leary and Edward The Only Nolan This book tells the story of the momentous yet overshadowed 1884 season

Outlook Alfred Emanuel Smith,Francis Walton,1905 Baseball's Creation Myth Brian Martin,2013-05-28 The story about baseball s being invented in Cooperstown New York in 1839 by Abner Doubleday served to prove that the U S national pastime was an American game not derived from the English children s game of rounders as had been believed The tale embraced by Americans has long been proven false but to this day Cooperstown is celebrated as the birthplace of baseball The story has captured the hearts of millions But who spun that tale and why This book provides a surprising answer about the origins of America s most durable myth It seems that Abner Graves who espoused Cooperstown as the birthplace of the game likely was inspired by another story about an early game of baseball The stories were remarkably similar as were the men who told them For the first time this book links the stories and lives of Graves a mining engineer and Adam Ford a medical doctor both residents of Denver Colorado While the actual origins of the game of baseball remain subject to debate and study new light is shed on the source of baseball s durable creation myth
