Bad Blood Guest Appearances:

Bad Blood Linda Fairstein, 2007-01-16 New York Times bestselling and Nero Award winning author Linda Fairstein takes readers to the greatest heights and deepest depths of New York City in this riveting Alexandra Cooper thriller filled with the former prosecutor's unique blend of authenticity, history and suspense. **Bad Blood** finds Assistant DA Alexandra Cooper deeply involved in a complicated high profile homicide case. Defendant Brendan Quillian, a prominent young businessman, is charged with the brutal strangulation of his beautiful young wife Amanda. His conviction is not a certainty. Quillian was conveniently out of town on the day of the killing and he has hired a formidable defense attorney who seems one step ahead of Cooper as the trial opens. But with the help of detectives Mike Chapman and Mercer Wallace, she is confident she can prove Quillian paid a hit man to commit the crime. Halfway through the trial, a major catastrophe alters the course of Alex's case. A cataclysmic explosion rips through New York City's Water Tunnel 3, a spectacular feat of modern engineering that will be completed years in the future. Carved through bedrock six hundred feet underground, the tunnel will replace a vital artery in the city's rapidly deteriorating water supply system. Was the blast caused by terrorism? Political retribution? Or was it merely an accident? Cooper is quickly drawn into the tragedy when she discovers a strange connection linking Brendan Quillian to the tunnel workers killed in the explosion. At the same time, Alex meets a mysterious handsome stranger. Should she get to know him better? Before the answer is clear, she is pulled back into the case, which is becoming more dangerous by the hour. She and Chapman descend deep into the earth to penetrate the subterranean universe of the sandhogs, as the brotherhood of tunnel workers are colorfully known. Their probe soon leads to another murder victim whose blood may hold the key to Cooper's mesmerizingly complex case. One closely held secret reveals another, and soon Alex discovers that only by unraveling ancient rivalries among sandhog families will she be able to solve the murder of Amanda Quillian and save her own life as well. A riveting tale of up to the minute urban intrigue, **Bad Blood** is rich with New York City lore and fascinating legal insights that only Fairstein, Manhattan's former sex crimes prosecutor, can deliver. Told in her signature authentic style, **Bad Blood** is packed with the same twists and turns that made her last novel *Death Dance* a runaway bestseller and that never fail to thrill her legions of devoted readers.

Bad Blood (Business or Blood TV Tie-in) Peter Edwards, Antonio Nicaso, 2017-09-12 After enemies murdered his family and plundered his empire, a legendary Mafioso emerged from prison to a fateful dilemma: Rebuild or seek revenge? Montreal godfather Vito Rizzuto sat helpless in a Colorado penitentiary while learning that unidentified assassins had killed his eldest son and likely heir and then murdered his father. Subsequent deaths of Vito's loyal associates filled the news throughout his sentence. From their comfortable base in the Toronto area, the Calabrian Ndrangheta seemed the obvious culprits, but as internationally bestselling crime writers Peter Edwards and Antonio Nicaso reveal in this compelling and far-reaching investigation, many unseen hands were at work. In 2012, Vito Rizzuto emerged from prison, a sixty-six year old man who could carefully reconstruct his crime family or damn the

consequences and punish his betrayers From the events leading to his imprisonment through the bloodshed following his release to his mysterious death in 2013 and more recent efforts to continue his family's dominance *Bad Blood* is the final word in the story of a twenty first century criminal mastermind
