He's ready to ditch the whole thing and resume his life as an adventure seeking world traveler until he discovers a woman sobbing on his doorstep and has an idea. By her own admission advertising copywriter Emma DeWitt is jaded, jilted and jobless but she goes over the edge when she learns that the resort villa that was supposed to be the site of her romantic honeymoon is occupied by a single man. But when the sexy silver fox who's staying in the villa surprises her with an irresistible offer to pose as his fake fiancée Emma sees a way to have her week in paradise and begin healing her broken heart. Mark believes every person has only one soulmate and he's met, married and buried his. Emma believes that love is a marketing concept created to sell fairy tales and expensive weddings. What if they are both wrong and completely right for each other?
