Impacts and Implications for the Sports Industry in the Post-COVID-19 Era Faganel, Armand, Rižnar, Igor, Baruca, Arne, 2021-06-25 The sports industry had impressive global growth over the years with factors from the introduction of e sports and new streaming and viewing methods to sponsorships and digital media contributing to its rise However the COVID 19 pandemic brought upon a rapid change in this sector Sports seasons ended abruptly people's escape from reality suddenly vanished their spending attitudes changed live games and commercial flights were suspended hotels were impossible to book and consumers practically turned into prisoners within their own homes No live sports matches were to follow on any media either so specialized sports channels were forced to play old recordings rather than broadcasting new events Even athletes themselves struggle to stay relevant and thus try to utilize creative methods to enhance their brand value in these difficult times With most of the sports leagues shut down

during the pandemic with a few exceptions which performed in empty venues the restrictions diminished the sports experience compared to the pre COVID 19 era and the impacts were widespread Impacts and Implications for the Sports Industry in the Post COVID 19 Era explores the changes that have been and will continue to be created by the unexpected disruptions that occurred as a result of the pandemic within the sports industry fans consumption and recreational habits The chapters explore the status of sports after the pandemic paths to recovery and the future of sports along with the many impacts and issues that have arisen due to changes in the industry necessitated by COVID 19 Covering important topics such as mental health impacts on athletes and coaches the market value for professional sports consumer behavior during COVID 19 and the changes in marketing tourism and business this book is ideally intended for sports managers marketers broadcasting agencies media specialists brand managers fitness professionals practitioners stakeholders researchers academicians and students interested in the impacts on the sports industry and the outlook for sports in the post COVID 19 era
