baseball photographs from the first two decades of the Twentieth Century Baseball Photography of the Deadball Era is not only a visually stunning coffee table book it is a heavyweight history of the game's first photographers and the images they captured and serves as a definitive reference guide for researchers and collectors Doug Skipper chairman of the Larry Ritter Book Award Committee While ostensibly a tool for collectors to identify and authenticate Deadball Era photographs a purpose at which it excels this book is so much more At its heart Baseball Photography of the Deadball Era is the definitive story of the rise of baseball press photographers in the early 20th century and a celebration of the visual splendors of the game they captured Collectors have long admired the artistry of their beautiful sepia-toned baseball prints from the early 1900s These images are visual time machines that transport us back to those halcyon days when we romanticize that baseball was pure What collectors haven't appreciated as they have long been shrouded in mystery are the stories of the men behind the lens and the photo syndicates who distributed their work These Photographers' indelible images brought the game from the field to the fans and helped create the baseball legends we still revere This book lifts the veil on their previously untold stories Through extensive research and newfound discoveries the lives of many of the photographic artists and innovators who brought the game to life have been revealed Their stories are as fascinating as those of the more famous men in front of the lens Some names are iconic such as Charles Conlon Some should be such as Frances Burke Dozens more are profiled all in far more detail than has ever been presented before Of course the book contains hundreds of gorgeous rare images of the Deadball Era many never seen before by the public Longtime collectors have generously granted use of their private collections to embellish this story and what a visual feast it is Ty Cobb Babe Ruth Christy Mathewson Shoeless Joe Jackson and other ballyard legends are all here as seen in their glory days Many readers will buy the book for the images alone My hope is they stick around for the stories

Gerlach, 2024-05 Winner of the 2025 Seymour Medal Robert Dean Emslie 1859-1943 spent fifty-six of his eighty-four years in professional baseball eight as a player and forty-nine as an umpire When arm problems ended his career as a Major League pitcher he turned to umpiring serving in that capacity for thirty-five seasons then as an umpire supervisor for thirteen years His longevity is all the more remarkable considering he toiled during the three most contentious and difficult decades umpires ever faced the years from 1890 to 1920 when baseball transitioned from amateur to professional sport and from regional business to commercial entertainment industry Emslie endured the rough and tumble umpire-baiting 1890s the Deadball era injuries from thrown and batted balls physical and verbal assaults from players and fans and criticism in the press Among his most notable games he called four no-hitters and worked as the base umpire in the famous Merkle's Boner game between the New York Giants and the Chicago Cubs at the Polo Grounds in 1908 He often clashed with Giants manager John McGraw who nicknamed him Blind Bob Yet he was widely praised by players and his peers Honus Wagner the great Pittsburgh shortstop ranked Emslie the best National League umpire he had seen during his twenty-year career Umpires Bill McGowan and Billy Evans

respectively regarded him as the greatest base umpire of all time and one of the greatest umpires the game ever produced Emslie was also the acknowledged master of baseball's rules such that National League presidents regularly consulted with him on controversial calls and protests Emslie accepted a position as the chief of National League umpires serving as an adviser to the National League president Lion of the League is the biography of an umpire whose career spanned the formative years of modern baseball
