**École Royale Militaire** Haroldo A. Guízar,2020-08-24 This book explores the Paris Ecole Militaire as an institution arguing for its importance as a school that presented itself as a model for reform during a key moment in the movement towards military professionalism as well as state run secular education The school is distinguished for being an Enlightenment project one of its founders publishing an article on it in the Encyclop die in 1755 Its curriculum broke completely with the Latin pedagogy of the dominant Jesuit system while adapting the legacy of seventeenth century riding academies Its status touches on the nature of absolutism as it was conceived to glorify the Bourbon dynasty in a similar way to the girls school at Saint Cyr and the Invalides It was also a dispensary of royal charity calculated to ally the nobility more closely to royal interests through military service In the army its proofs of nobility were the model for the much debated 1781 S gur decree often described as a notable cause of the French Revolution      *Information and Communications Technologies in School*
