### **Bi Curious 3 Trapped:**

Bi-Curious Volume 3: Natalie Weber,2013-03-01 Serenity s days and nights may include the finer things in life but she never pictured it like this Her new surroundings come with limitations and expectations destroying everything that was decent and innocent about her Her soul is crushed and there are no familiar faces around to comfort her Memories of her past have led her into a bottomless pit of regret and hopelessness Carla s search for Serenity begins with nothing promising but her love for her sister keeps her pushing forward When her suspicions turn into actions she unknowingly triggers a chain of explosive events that threaten her sister s existence Cass throws caution to the wind and continues to do business as usual When his denial about Serenity creates coldness toward his sister Heaven he struggles with a life altering decision His twisted lies are catching up to him in the worst way Serenity is in over her head and sees only one way out Will she end it all and give up without a fight or will she be able to play the game of the streets and come out on top **Bi-Curious Volume**

**3: Trapped** Natalie Weber,2013 Serenity s nights may include champagne and strawberries but she never pictured it like this Her new surroundings come with restrictions and limitations in every possible way She is now sold to the highest bidder of the day Her soul is crushed and there are no familiar faces around to comfort her Serenity is in over her head and sees no way out Will she end it all and give up without a fight Will she see that the grass is greener on the other side Can her reality snap her out of her stupidity and shame Carl Weber Presents Ride or Die Chick 3 J.M. being the product of one of the most notorious criminal couples ever to terrorize the state of Virginia Imagine your father choosing death over life in prison because he thinks he has no reason to live Imagine your mother trying to kill herself and you to protect you from the world Then imagine growing up parentless in a society you seem not to fit in until you meet someone else who feels the same way If you can imagine all of this then you will be intrigued by the story of young Treacherous Freeman and Baby Love Nearly two years after the death of his mother Treacherous is faced with a situation that causes him to unleash all that has been bottled up inside him His actions ultimately land him in a place that surprises even him Despite growing up with both parents and strong family values Baby Love feels her life is not too far from hell Deceit betrayal and deception are the contributors to Baby s sudden change They are the very same things that land her in a predicament that has her craving for vengeance As fate would have it Treacherous finds himself drawn to the girl that reminds him so much of his mother The chemistry between him and Baby is undeniable and a twisted love connection is born Fueled by pain they form a bond that Treacherous has always dreamed of and Baby never thought existed **Flip Side of**

The Tolerance Trap Suzanna Danuta Walters,2016-06-07 From Glee to gay marriage from lesbian senators to out gay Marines we have undoubtedly experienced a seismic shift in attitudes about gays in American politics and culture Our reigning national story is that a new era of rainbow acceptance is at hand But dig a bit deeper and this seemingly brave new gay world is disappointing For all of the undeniable changes author Walters argues the plea for tolerance has sabotaged the full integration of gays into American life Same sex marriage is unrecognized and unpopular in the vast majority of states hate crimes proliferate and even in the much vaunted gay friendly world of Hollywood and celebrity culture precious few stars are openly gay She maintains that we are not almost there but on the contrary have settled for a watered down goal of tolerance rather than a robust claim to full civil rights After all one tolerates unpleasant realities medicine with strong side effects a long commute an annoying relative Tolerance is not the end goal but a dead end From publisher description
