for the devotions which build on the verses challenge the family to commit them to memory and explore how each verse is part of God's wonderful message. Let's Talk questions urge the family to discuss what they've learned and offer challenges for different ages of children as well as their parents. This unique family devotional touches both the mind and the heart. Minds will grow as the text builds on past weeks by reviewing memory work and themes. But most importantly hearts will grow as families learn together to value the gifts found in the Bible and realize how God's Word can be their greatest friend. *Spirit of Truth Student Workbook Grade 7* Sophia Institute for Teachers, **Courageous** Dr. Robert Jeffress, 2020-02-04

Christians face relentless attacks from an ungodly culture, a formidable adversary, and our own fallen natures. Yet we cannot afford to surrender to these very real enemies. Just as survivalists use 10 specific strategies to overcome threatening situations, *Courageous* explains 10 biblical strategies for surviving and thriving in a world that is hostile to our faith. As A.W. Tozer said, "A scared world needs a fearless church." *Courageous* is a clarion call for Christians to boldly live out their faith. If you've felt your faith is under attack, if you're struggling with the temptation to follow the crowd despite biblical teaching to the contrary, or if you're just feeling weary, the 10 strategies in *Courageous* will provide fresh fire and new hope. *A Divine Scavenger Hunt* Mary-Keith Dickinson, 2007-12

Mary Keith Dickinson's captivating novel *A Divine Scavenger Hunt* paints the picture of a complex, spiritually hungry young woman who, at a great cost to mind and body, has spent her adult life chasing and stripping off the spiritual disguises that sometimes shroud truth. Led to a terrifying crossroads, she cannot escape the demons of her past. Discovering that her marriage is built on a lie and that she no longer trusts the philosophy she teaches, she uncovers an abyss of despair hiding in her heart. To regain her footing, Hope escapes to the beach for a long weekend. *A Divine Scavenger Hunt* transports the reader to a place we have all longed to go through a supernatural encounter with a force beyond understanding. Hope begins to unravel the knots of what she believes and realizes that truth with a capital T is at her fingertips. *Letters from Camp Wilderness* Ellen Swanson-Szudajski, 2002-10-16

In a world no longer simple with clear enemies and ready strategies to protect oneself, the aging warriors from the Vietnam era are forced to once again fight for their lives. This time it's not against a peasant force in the steamy jungles of Vietnam defending their homeland. This time they find themselves under attack in the forests of their own homeland by a fanatical force of Jihadists dedicated to the destruction of America itself. In addition to being vastly outnumbered and aging, the Americans have a unique disadvantage: they are all amputees. The only advantage that the Americans have is now it's their homeland that they are defending. To the end, it's not clear whether or not that and the few friendlies that are able to be recruited to the cause will be enough to prevail over their adversaries. The Vietnam Vets Amputee Group is both inspirational and an ode to those brave soldiers that fought not so long ago. They finally might be accorded the respect that they deserve, perhaps posthumously, from a changed and grateful nation. *Sabbath Action Blast*, 2008
