BIBLICAL MEDITATIONS FOR LENT

Biblical Meditations For Lent

Peter M. Wallace

Biblical Meditations For Lent:

Biblical Meditations for Lent Carroll Stuhlmueller, 1978 Readings for each weekday as well as the Sundays of each of the three cycles are summarized and reflections for each day are given based on scriptural scholarship **Following Jesus on the Way** Christopher Dorn, 2020-12-08 From the desert to Jerusalem The desert is a solitary place where vital resources are scarce The word desert conjures up images of struggle hardship and loneliness Yet it is in the desert that the season of Lent begins There we find Jesus fasting forty days and undergoing temptation by the devil God used the desert to prepare Jesus for his mission What is otherwise a place of desolation and despair became the necessary starting point on the way that led to Jesus triumphal entry into Jerusalem where he later defeated the powers of sin and death by his cross and resurrection Through a series of biblical meditations on Lenten themes author Christopher Dorn guides readers along this way Join them in the expectation of a deepened faith and spiritual renewal that can accompany this special season in the Christian year

Sensing God Laurence Freeman, 2015-12-10 Those who want to save their life will lose it and those who lose their life for my sake will find it Matthew 16 25 We often associate Lent with giving something up but it is also a good time to begin or to deepen the practice of meditation Through this ascetic discipline we enter into the tradition of the Desert Fathers and as we learn to nurture the silence within come to experience joy and well being in every area of our lives This book is a practical introduction and guide to Christian meditation as taught by Fr John Main and continued through the World Community for Christian Meditation WCCM It contains meditation instructions guidance and support as well as 46 enriching daily reflections on the Gospels highlighting an aspect of their meaning and their continued relevance for modern living

Getting to Know Jesus (Again) Peter M. Wallace, 2017-10-01 Fresh accessible and thought provoking look at the life and ministry of Jesus Lent is a journey of the mind heart and spirit from the ashes of humanity to the cross and beyond to the empty tomb The central figure in that journey is Jesus But who was he really Why did he come and minister among us How can his teachings enhance our lives Why did he die What does his resurrection really mean These are questions that spur believers of all ages to seek a deeper understanding and appreciation of the Son of Man in their lives In this collection of fifty two meditations and additional resources for spiritual growth Peter Wallace guides readers through the life and ministry the words and works of Jesus with the goal of getting to know him in fresh new ways that encourage a stronger faith and a spirited engagement with the world around us **Biblical Meditations for the Easter Season** Carroll Stuhlmueller, 1980

Daily meditations for the seven weeks of the Easter season **When God Died** Herbert Lockyer, 2015-01-02 How could God the deathless One die In When God Died legendary Bible teacher Dr Herbert Lockyer explores the person of Christ both His divinity and His humanity in an effort to show the majesty of His death and resurrection and what they mean to us today This series of Lenten meditations will open your eyes to the purpose power and beauty of Christ s crucifixion Among the topics you will explore are The magnanimity and honor of Christ The cleansing power of His blood The sovereign power of His

grace The last seven words Christ spoke from the cross May we take the time to lovingly remember Christ's sacrifice the means of His extraordinary grace and power to save dying sinners so that we may stand in right relationship with Him in awe of His holiness power and wisdom and with a heart of gratitude for all He has done Gifts from Within Women of Brigid's Place, 2002-12 Meditations for Lent written by the women of Brigid's Place a spirituality and community outreach ministry

Wondrous Encounters Richard Rohr, 2010-10-18 Rohr's meditations on the daily readings of Lent are not for the sake of mere information or even for academia although the author hopes it will satisfy both but for the sake of our transformation into our original image and likeness which is the very image of God What always and finally matters for all of us is encounter Father Rohr begins each meditation with a single title or phrase that sums up the point Then he offers the meditation followed by key passages from the readings He ends each meditation with a Starter Prayer that invites you to self disclosure and to enter the wondrous divine dialogue with clarity insight and holy desire There are two moments that matter One is when you know that your one and only life is absolutely valuable and alive The other is when you know your life as presently lived is entirely pointless and empty You need both of them to keep you going in the right direction Lent is about both The first such moment gives you energy and joy by connecting you with your ultimate Source and Ground The second gives you limits and boundaries and a proper humility so you keep seeking the Source and Ground and not just your small self From the Introduction

Friends, Foes and Families Judith Dimond, 2012-11-15 This Lent book will explore biblical stories and characters that exemplify a whole range of relationships in good times and bad Relationships will be defined very widely to include even people who don't see themselves in relationship The stories will be related to common emotions love friendship rivalry conflict trust hatred fear and linked with 21st century attitudes culture and moral dilemmas The book will cover OT stories as well as NT and explore dysfunctional as well as functional relationships to make clear how experiences of loss and failure which culminated for Jesus in the Cross are inevitably part of our relationships but can be healed by the Resurrection The making of choices is pivotal in our life journey and these meditations will focus on key moments of decision and their consequences This will often involve reflection on the power of temptation the ways in which biblical characters respond to it and their varying success in withstanding it The reflections will range widely but will start with Jesus temptations and conclude with stories from Holy Week and Easter so that the relevance to Lent is maintained
