I. Howard Marshall

Biblical Inspiration:

Biblical Inspiration I. Howard Marshall, 2004 Is the Bible infallible Can we believe in its inspiration and practice biblical criticism How is the Bible to be interpreted for today I Howard Marshall's answers to these questions will be helpful to all biblical students who are puzzled and confused by current discussions of biblical inspiration and authority Biblical Inspiration will help to reassure conservative students regarding the value of critical study of the Bible and will clear away much misunderstanding that the conservative view of the Bible is obscurantist and unscholarly Inspiration Gerald O'Collins, 2018-06-21 Inspiration Towards a Christian Interpretation of Biblical Inspiration anchors its study of inspiration firmly in the Scriptures and examines the inspired nature of the Bible and its inspiring impact Gerald O Collins begins by examining classical view of inspiration expounded by Karl Barth and Raymond Collins He takes up the inspired origin of the Old Testament where earlier books helped to inspire later books before moving to the New Testament which throughout shows the inspiring impact of the inherited Scriptures both in direct citations and in many echoes The work then investigates the Bible's inspiring influence on Christian worship preaching teaching the visual arts literature and life After a chapter that clarifies the interrelationship between divine revelation tradition and inspiration two chapters expound ten characteristics of biblical inspiration with special emphasis on the inspiring quality of the Bible O Collins explains a major consequence of inspiration biblical truth and the grounds on which the Church canonized the Scriptures After spelling out three approaches to biblical interpretation the authorial intention the role of readers and the primacy of the text itself the book ends by setting out ten principles for engaging theologically with the Scriptures An epilogue highlights two achievements of the book By carefully distinguishing inspiration from divine revelation and biblical truth it can deliver readers from false problems This work also underlines the inspiring effects of the Scriptures as part of the Holy Spirit's work of inspiration What Are They Saying about Biblical Inspiration? Mark J. Zia, 2011 Six major scholars selected for their contributions in the study of biblical inspiration and who provide a veritable cross section of the diversity of viewpoints on this topic as found in Anglo American scholarship are surveyed **Evangelical Theories of Biblical Inspiration** Kern Robert Trembath, 1987-12-03 The inspiration of the Bible is central to Christian faith yet there is no general agreement on the nature of this inspiration In this provocative book Kern Robert Trembath reviews seven major evangelical explanations of inspiration and demonstrates that all either view the Bible itself as the actual recipient of inspiration or explain biblical authority on grounds more appropriate to the doctrine of God in effect investing the Bible with characteristics that properly belong only to God Building on the work of William Abraham Trembath constructs his own theory of inspiration one that regards inspiration as a tripartite concept involving the elements of initiator means and receiver He insists that only a human being can be the recipient of inspiration and that the Bible must therefore be understood as the means rather than the end of the process He goes on to articulate a new definition of biblical inspiration as a mediated enhancement of human experience by God through the Bible and argues

that this new understanding of inspiration is most compatible with a Thomistic doctrine of God which insists that God's acts are mediated through the world rather than immediately occurring in it

Biblical Inspiration and the Authority of Scripture Carlos R. Bovell, 2015-07-24 It has been some time since Catholic and liberal Protestant theologians stopped writing seriously on bibliology. Meanwhile conservative evangelical theologians guard against the introduction of new ideas. In an effort to make headway through this gridlock Carlos Bovell has commissioned a roundtable discussion on the prospect of whether the inspiration of Scripture might extend beyond authors and texts and if so what this might entail for the authority of Scripture. Taken together the essays in this volume make an invaluable contribution to contemporary literature on the inspiration and authority of the Bible.

The Inspiration of Scripture Paul J. Achtemeier, 1980 Christians generally agree that the Scriptures are inspired and that this doctrine is of basic importance. But how is the doctrine of inspiration to be understood and what does it mean for our Christian faith? Paul Achtemeier shows how recent knowledge of the way the Scriptures were formed raises problems in regard to the traditional understanding of inspiration. In response he presents possibilities for a new approach to inspiration that is compatible with recent critical discoveries and allows the Bible to continue to play a meaningful role. He deals with liberal and conservative views, specific contradictions in the Bible, and what the Bible says about itself. A perceptive study. *The Inspiration of Scripture* proposes a view of inspiration that makes sense for today and probes its implications for the believer and the believing community.

Catholic Theories of Biblical Inspiration Since 1810 James Tunstead Burtchaell, 1969-07-02

Evangelical Theories of Biblical Inspiration Kern Robert Trembath, 1987 The inspiration of the Bible is central to Christian faith yet there is no general agreement on the nature of this inspiration. The author analyses seven major evangelical explanations.

Biblical Inspiration Bruce Vawter, 1972 Despite some superficial affinities the Christian understanding of inspiration is not closely related to the classical idea of poetic inspiration by the Muses; it is however rooted in the Jewish understanding of the prophet and therefore the author attempts to identify what is distinctive about the experience of a shepherd from Tekoa or of a tent maker from Tarsus that gives them an authoritative claim upon believers in every age. Because the nature of inspiration has been debated so widely in recent decades the book provides an analysis of the principal theories being proposed among theologians of various schools.

Inspiration Gerald O'Collins, 2018 This work anchors its study of inspiration firmly in the Scriptures and examines the inspired nature of the Bible and its inspiring impact.

Yeah, reviewing a book **Biblical Inspiration** could go to your near connections listings. This is just one of the solutions for you to be successful. As understood, feat does not suggest that you have fantastic points.

Comprehending as skillfully as bargain even more than extra will pay for each success. next to, the broadcast as with ease as perspicacity of this Biblical Inspiration can be taken as well as picked to act.
