Only Begotten Son as a sacrificial Lamb,
who takes away the sins of the world.*

*We glorify your Name and give you
Honour and Adoration, for the
precious gift of the Real presence
of Christ in the Eucharist.*

*Help us to become what we consume
and radiate the graces we receive to
all humanity. May we all live a
Eucharistic life daily.*

*We ask you to keep us in communion
with our Heavenly Father, in the
Name of Jesus Christ our Lord,
Amen*

Dust Bound for Heaven Reinhard Hütter, 2012-10-01 In Dust Bound for Heaven Reinhard Hütter shows how Thomas Aquinas's view of the human being as dust bound for heaven weaves together elements of two questions without fusion or reduction Does humanity still have an insatiable thirst for God that sends each person on an irrepressible religious quest that only the vision of God can quench Or must the human being living after the fall become a new creation in order to be readied for heaven Hütter also applies Thomas's anthropology to a host of pressing contemporary concerns including the modern crisis of faith and reason political theology the relationship between divine grace and human freedom and many more The concluding chapter explores the Christological center of Thomas's theology
