This guide includes: A description of SAQ, LEQ, and DBQ writing prompts including similarities and differences and a rundown of what AP readers are looking for when they read your responses. Summaries of events, trends, and people that are essential to know for the exam. Exercises to reinforce your understanding of key dates and events and how they relate to the exam question. Step by step guidance in analyzing DBQ documents systematically. Practice questions with sample answers to use as a model and compare your answers to after you complete them.

FOR INSTRUCTORS Because our APUSH Writing Guide is in workbook format, each student should obtain her own copy. This book is best used as an instructor-guided resource, but it can easily be used for self-guided test prep by motivated independent learners. Instructors love using this book in the classroom because grading and offering feedback on student writing is a time-consuming process; the faster students become strong writers, the more manageable the teacher's essay grading workload becomes.
