The Complete Guide to Bible Translations Ron Rhodes,2009-03-01 Given the wealth of English translations of the Bible available today how can anyone know which is the right one for them The options seem overwhelming Biblical scholar Ron Rhodes provides an easy to read guide that takes the guesswork out of choosing a Bible He critiques the prominent theories of translation lets readers in on the debate about gender inclusive language and thoroughly covers the major English translations from the King James Version to the New Living Translation and everything in between including the two most recent Bibles for Catholics His examination of each version includes the story behind the translation the translation theory used the intended readership pluses and minuses comparisons with other translations A unique feature is Rhodes look at secondary factors to keep in mind when choosing a Bible such as the type size the quality of the paper the existence and placement of cross references and other study helps and the types of bindings The result is an indispensable guide to help readers through the maze of choosing the translation best suited for them *Biblical Studies on the Internet* Roland H. Worth, Jr.,2008-09-18 The new edition includes more than 4 800 resources available at more than 10 000 Internet sites that provide information on a range of biblical study topics including Bible translations in English and other languages audio translations of the Bible in English and other languages commentaries dictionaries and other resource materials including ones in Greek Hebrew and other ancient languages The author also has adopted a new method of referencing and cataloging the most widely used web pages to facilitate a major expansion of resources without increasing the physical length of the book itself In cases when ten or more resources are listed on a single web page the author has assigned the web page a three digit code The code is used to identify this web page as a major resource within the main text while any needed instructions for use of the site are cross referenced separately in the final chapter In adopting this concise method the author was able to add hundreds of additional or updated web resources a surprising number of which can be downloaded onto a hard drive for immediate and continued use *SQL Server 2005 Bible* Paul Nielsen,2007-05-23 Use this comprehensive tutorial and reference to increase productivity and write stored procedures using the language with which you re most familiar The revised content covers new features such as XML integration Web services the NET Common Language Runtime CLR and security updates making this book a must for any developer or database administrator transitioning to the new version of SQL Server You ll learn to develop SQL Server database and data connections administer SQL Server and keep databases performing at their peak In addition you ll find dozens of specific examples in both a graphical format and as SQL code as well as numerous best practices describing the most effective way to accomplish a given task A companion Web site provides all of the code examples found in the book **Through the Bible in 365 Days** Stewart Jones,2009-12-12 Get through the Christian Bible in 365 days Bible reading notes for one year **Searching for the Original Bible** Randall Price,2007 A noted researcher archaeologist tackles crucial faith challenging questions about the Bibles claims to be divine

communication All evidence available today concludes the author upholds even more strongly the age old views of orthodox Christianity

The Bible True, Relevant or a Fairy Tale? Robert J. Cottle, 2017-03-28 The Bible is constantly condemned as outdated legalistic and irrelevant yet it is widely owned and cherished worldwide Despite ownership it often lies unread and scarcely believed even by Christians The reason it is not accepted as the infallible word of God but worse many reject it as fictitious and immaterial This book directly addresses the truth and relevance of the Bible and questions issues such as Was there really a talking snake in the Garden of Eden How could Moses possibly write a factual account of creation 2 500 years after the event Are abortion and homosexuality ok Are Heaven and Hell real places Are God and Allah the same God What is the Trinity Robert skilfully demonstrates the answers through direct scripture quotation with little writer's bias Paul tells Timothy all scripture is God breathed and in Genesis we read God breathed into his nostrils the breath of life and the man became a living being If the followers of Jesus inhale the God breathed scriptures their souls will truly abound with life This book sets out to inspire Christians to believe God at his word
