Bible Study A Students Guide:

Bible Study Jon Nielson, 2013 A new version of Kathleen Nielson's acclaimed book that addresses high school students with the aim of encouraging and equipping them to engage in effective study of the Bible. The most crucial way we can prepare young people for the challenges that lie ahead is to arm them well with the sword of the Spirit which is the Word of God. This book lays the foundation; it explains what the Bible is and what that means for how we should study it. Five fundamental truths are clearly presented: the Bible is God speaking; powerful, understandable literary; one whole story. From each of these truths come practical implications for why and how we study the Bible along with concrete examples and study questions that lead students in personal application. The goal is for high school students to grow not just in a particular method but in a whole understanding of God's Word and how to let that Word speak effectively into our lives. *Bible Study Methods, a Student's Guide* Mark Strauss, 2020-06-12 This guide is intended to be used with the BiblicalTraining.org class Bible Study Methods. This is an Academy level class that answers the following questions: What is a Bible study? Why do we study these specific 66 books? What type of literature are we studying? What are the practical steps we should take? How do we determine a word's meaning? How do we apply the text to our lives? *Student Workbook for the Self-Confrontation Bible Study* BCF Biblical Counseling Foundation, BCF Writing Team, 2024-06-20 The Student Workbook is designed to lead you through a personal life application study of God's Word using the Self-Confrontation manual as a reference. The Workbook leads you through key Scripture passages and points you to relevant portions of the Self-Confrontation manual. It can be used for your own personal study in a one-on-one discipleship format or in a small group setting. The lessons have blank portions to complete based on passages from the Bible. This is part of what you might call your written homework. The Self-Confrontation Bible Study is a great way for you to spend daily time in God's Word with the emphasis on your own walk with the Lord and your relationships with others. These principles are timeless and cultureless and they will change your life when applied with God's enabling power. A great introduction to your new life in Jesus. **Get Used to Different** Jeremiah Smith, Amanda Jenkins, Dallas Jenkins, 2024-02-06 Get Used to Different is a nine-week devotional Bible study for students who long to know more about who they are in Christ, how to follow Him in light of that knowledge and how to let Jesus lead them in their interactions with those around them. Every new generation asks the same fundamental questions: Who am I? Where do I fit in? How do I find meaning, belonging and acceptance? Jesus answered all these questions in a radically simple way: Follow me. In this nine-week study, students will dive into Scripture alongside The Chosen series to discover who Jesus says they really are. Understand what it means to follow Him. Learn how to surrender in

A Curious Student's Guide to the Book of Deuteronomy Reuven Travis,2022-06-13 One of the most common phrases in the Torah is And the LORD spoke to Moses saying So many of the Torah s commandments are introduced in this way These words represent God speaking to Moses and instructing him what to repeat or teach to the Jewish people Yet this phrase is not found at all in Deuteronomy and this helps explain why this book is so very different from the other books of the Torah Deuteronomy is Moses s book It is the record of Moses s final speech to the Jewish people before his death But this leads to a very basic and very fundamental question Why are the words of man even a man as great as Moses part of God s holy Torah A very good question a powerful one indeed And while we may not come up with a good or satisfying answer this book examines and presents life lessons just as important as those found in any other biblical text

To Understand the Bible Look for Jesus Norman L. Geisler,2002-09-10 Believing the fundamental Christian claim that the purpose of the Bible is to present the Savior Geisler focuses on Christ as the unity and unfolding message of the whole of Scripture Christ is the tie between the Testaments the content of the canon and the unifying theme within each book of the Bible This book is basic to both Bible study and preaching and serves as an excellent guide to the Bible s central theme It encompasses far more than a study of types and the Old Testament prophecies Each chapter takes seriously the affirmation of Jesus Everything written about me in the law of Moses and the prophets and the psalms must be fulfilled Luke 24 44 Related to Geisler s central thrust that Christ is the clue to the whole Bible is the clear assertion concerning the inspiration of Scripture and the deity of Christ Chapter topics include 1 Christ Is the Key to the Bible 2 Christ in the Old Testament 3 Christ in Both Testaments 4 Christ in Every Section of the Bible 5 Christ in Each Book of the Bible 6 The Word of God Personal and Propositional Also included are a bibliography subject index and Scripture index
