Big Big Love:

Queering the Pitch Philip Brett, Elizabeth Wood, Gary C Thomas, 2013-02-01 When the first edition of *Queering the Pitch* was published in early 1994 it was immediately hailed as a landmark and defining work in the new field of Gay Musicology. In light of the explosion of Gay Musicology since 1994 a new edition of *Queering the Pitch* is timely and needed. In this new work the editors are including a landmark essay by Philip Brett on Gay Musicology its history and scope. The essay itself has become a cause celebre and this will be its first full appearance in print. Along with this new historical essay the editors are contributing a new introduction that outlines the changes that have occurred over the last decade as Gay Musicology has grown.

Fraught Intimacies Nathan Rambukkana, 2015-05-30 Adultery scandals involving politicians. Dating websites for married women and men. Raids of polygamous communities. Reality shows about polyamorists. It seems that non monogamy is everywhere in popular culture in the news and before the courts. In *Fraught Intimacies* Nathan Rambukkana examines how polygamy, adultery and polyamory are represented in the public sphere and the effect this is having on intimate relationships and aspects of contemporary Western society. As this book demonstrates although monogamy is considered and presented as the norm in Western society many kinds of sexual and romantic relationships exist within its borders. Rambukkana's intricate analysis reveals how some forms of non monogamy are tacitly accepted even glamourized while others are vilified and reviled. By questioning what this says about intimacy, power and privilege this book offers an innovative framework for understanding the status of non monogamy in Western society.

Women and Popular Music Sheila Whiteley, 2013-05-13 *Women and Popular Music* explores the changing role of women musicians and the ways in which their songs resonate in popular culture. Sheila Whiteley begins by examining the counter culture's reactionary attitudes to women through the lyrics of The Beatles and The Rolling Stones. She explores the ways in which artists like Joplin and Joni Mitchell confronted issues of sexuality and freedom, redefining women's participation in the industry and assesses the personal cost of their achievements. She considers how stars such as Annie Lennox, Madonna and kd lang have confronted issues of gender stereotyping and sexuality through pop videos for *Justify My Love* and *Sweet Dreams Are Made of This* and looks at the enduring importance of the singer-songwriter through artists such as Tracey Chapman. Lastly she assesses the contribution of contemporary artists including Tori Amos, PJ Harvey and Courtney Love and asks whether the Spice Girls are just a cartoon feminist pop group or if they provide positive role models for teenage girls.

The Blessed One Daniel Austhof, 2012-08-23 *The Blessed One* has all the drama, excitement and surreal attraction of a great fictional novel. However in reality it is simply a recollection of the thrillingly traumatic yet numbingly slow decade following a massive closed head injury by the author Daniel Austhof. *The Blessed One* is written as a letter by Daniel on his 31st birthday to himself at any given point in the future. This was written to himself to serve as his reminder of the trials he has faced, adversity overcome, God Within and how Blessed he was even back then and no doubt is at the time which he reads.

this letter The Blessed One focuses on the fact that in spite of circumstance we as humans are greatly Blessed and possess the awesome ability to influence Perception like seeing the rosebud instead of the thorn Blessings instead of pain Grace instead of trauma **Big Love** Scott Stabile,2017-08-21 I look to Scott for wisdom and leadership and he has delivered both with Big Love This book opened my heart and mind and I m forever grateful Glennon Doyle author of 1 New York Times bestseller Love Warrior What happens when you fully commit yourself to love Endless good insists Scott Stabile who found that out by overcoming plenty of bad His parents were murdered when he was fourteen Nine years later his brother died of a heroin overdose Soon after that Scott joined a cult that dominated his life for thirteen years before he summoned the courage to walk away In Big Love his insightful and refreshingly honest collection of personal essays Scott relates these profound experiences as well as everyday struggles and triumphs in ways that are universally applicable uplifting and laugh out loud funny Whether silencing shame rebounding after failure or moving forward despite fears Scott shares hard won insights that consistently return readers to love both of themselves and others *Fat Gay Men* Jason Whitesel,2014-07-25 To be fat in a thin obsessed gay culture can be difficult Despite affectionate in group monikers for big gay men chubs bears cubs the anti fat stigma that persists in American culture at large still haunts these individuals who often exist at the margins of gay communities In *Fat Gay Men* Jason Whitesel delves into the world of Girth Mirth a nationally known social club dedicated to big gay men illuminating the ways in which these men form identities and community in the face of adversity In existence for over forty years the club has long been a refuge and safe space for such men Both a partial insider as a gay man and an outsider to Girth Mirth Whitesel offers an insider s critique of the gay movement questioning whether the social consequences of the failure to be height weight proportionate should be so extreme in the gay community This book documents performances at club events and examines how participants use allusion and campy queer behavior to reconfigure and reclaim their sullied body images focusing on the numerous tensions of marginalization and dignity that big gay men experience and how they negotiate these tensions via their membership to a size positive group Based on ethnographic interviews and in depth field notes from more than 100 events at bar nights caf klatches restaurants potlucks holiday bashes pool parties movie nights and weekend retreats the book explores the woundedness that comes from being relegated to an inferior position in gay hierarchies and yet celebrates how some gay men can reposition the shame of fat stigma through carnival camp and play A compelling and rich narrative *Fat Gay Men* provides a rare glimpse into an unexplored dimension of weight and body image in American culture *The Authentic Life* Ezra Bayda,2014-04-08 Wonderfully accessible Zen teachings for how to live your life genuinely honestly and happily in the face of life s inevitable difficulties Ever feel like your efforts to live a life of wisdom honesty and compassion are hijacked by well life Take heart Ezra Bayda has good news life s challenges aren t obstacles to our path they are the path Understanding that liberates us to use every aspect of what life presents us with as a way to live with integrity and authenticity and joy In this as in all his books

Ezra's teaching is Zen made wonderfully practical in a way that can apply to anyone's life. Meditation is the foundation but it doesn't stop there. It's about learning to take the practice of presence we cultivate in meditation to all the rest of our complicated lives. Doing that empowers us to navigate our journey with the integrity and authenticity that are what a satisfying life is all about.

At This Theatre Louis Botto, 2010-12-01 Theatregoers favorite history of Broadway is back in an updated and expanded 2010 edition including more than 500 color production photos vintage archival photos and Playbill covers from all forty currently operating Broadway theatres. Thirty eight of the original chapters have been expanded to cover all the shows that have opened in the ten years since the popular 2000 edition with two new chapters added to include Broadway theatres recently refurbished and returned to life. This unique chronicle is the first work to present a detailed theatre by theatre roundup of players and productions that have enchanted audiences at Broadway's great playhouses from 1900 to 2010. The work is an expanded treatment of *At This Theatre* the popular feature in Playbill's Broadway theatre programs. *At This Theatre* offers playgoers instant nostalgia by listing notable hits and some famed fiascos that have played through the years in the theatre that they are attending. The book also pays tribute to the distinguished impresarios who built and managed these houses and the brilliant architects and interior designers who created them. The original 1984 edition was created by Playbill senior editor Louis Botto. Botto worked with editor Robert Viagas on the 2000 update. With the third edition Botto has passed the author torch to Viagas who founded Playbill.com and the acclaimed Playbill Broadway Yearbook series and who has written the updates in Botto's style.
