

AUGUSTUS

The Life And Times Of
Rome's Greatest Emperor

SIMON T. BAILEY

Augustus The Life And Times Of Romes Greatest Emperor

Tony Sullivan

Augustus The Life And Times Of Rome's Greatest Emperor:

Augustus Simon T. Bailey, 2015-09-17 Augustus born Gaius Octavius Thurinus in 63 BCE was the first emperor of Rome. From the moment his great uncle and adoptive father Julius Caesar died when he was eighteen his life was one action packed conflict after another. From the unexpected inheritance of a hefty fortune and a heap of responsibilities to fighting off a foe who should be a friend to seeking revenge on Caesar's assassins he had his work cut out for him. Throw in an affair with a beautiful woman who happened to be pregnant and married to an aristocrat an unruly daughter and roomful of Senators who just didn't know how to get things done and you've got one heck of a life. Augustus succeeded at many things during his nearly forty year run as the leader of the Roman world. He reinvented the skyline of Rome had the sewer system cleaned out and made to function conquered Egypt and routed their plentiful grain to a starving Roman Empire and promoted traditional Roman family values not to be confused with traditional modern American or Western European family values by giving attractive benefits to those who got married and had multiple children. Along with revitalizing the city Augustus sought to promote great writers like Virgil and Horace and encourage a renewal of religious piety. Changing laws was easy enough but changing hearts proved to be a rather difficult matter. In his book entitled *Augustus The Life And Times Of Rome's Greatest Emperor* author Simon T. Bailey brilliantly captures the true essence of Augustus as well as the time period in which he ruled in ancient Rome.

Augustus Anthony Everitt, 2006-10-17 He found Rome made of clay and left it made of marble. As Rome's first emperor Augustus transformed the unruly Republic into the greatest empire the world had ever seen. His consolidation and expansion of Roman power two thousand years ago laid the foundations for all of Western history to follow. Yet despite Augustus's accomplishments very few biographers have concentrated on the man himself instead choosing to chronicle the age in which he lived. Here Anthony Everitt the bestselling author of *Cicero* gives a spellbinding and intimate account of his illustrious subject. Augustus began his career as an inexperienced teenager plucked from his studies to take center stage in the drama of Roman politics assisted by two school friends Agrippa and Maecenas. Augustus's rise to power began with the assassination of his great uncle and adoptive father Julius Caesar and culminated in the titanic duel with Mark Antony and Cleopatra. The world that made Augustus and that he himself later remade was driven by intrigue sex ceremony violence scandal and naked ambition. Everitt has taken some of the household names of history Caesar Brutus Cassius Antony Cleopatra whom few know the full truth about and turned them into flesh and blood human beings. At a time when many consider America an empire this stunning portrait of the greatest emperor who ever lived makes for enlightening and engrossing reading. Everitt brings to life the world of a giant rendered faithfully and sympathetically in human scale. A study of power and political genius Augustus is a vivid compelling biography of one of the most important rulers in history.

Rome's Greatest Emperor: Vespasian Tony Sullivan, 2025-01-16 Follow Vespasian's rise from Roman general in Britain to emperor shaping the Flavian dynasty during Rome's turbulent civil war. To anyone scanning the sea from the southern coast

of Britain in the year 43 AD the sight of hundreds of ships appearing one by one as dots on the horizon would have filled them with awe and dread On a leading warship a hundred and twenty oarsmen heaved at their work as one of the four legionary legates scanned the cliff tops expecting to see them lined with warriors as Julius Caesar had described nearly a hundred years before Vespasian would lead the Second Augusta in the initial invasion and in a remarkable campaign across southern Britain capturing a score of strongholds oppida such as the formidable Maiden Castle along the way His career later suffered from the intrigues of court politics during the reign of Nero at one point making the near fatal mistake of falling asleep during one of the emperor's artistic performances Vespasian's fortunes were revived by the outbreak of revolt in Judea Thus Vespasian found himself in the right place at the right time commanding a vast battle hardened victorious army as the empire descended into civil war and chaos The year 68-69 became known as The Year of the Four Emperors as after Nero's suicide Galba Otho and Vitellius seized the throne in quick succession When Vitellius emerged as the victor Vespasian took his chance It would prove a pivotal moment in Rome's history stabilizing the political and economic situation and establishing the Flavian dynasty
