Questions 1–14: Read the following passage carefully before you choose your answers.

The following is an excerpt from a paper Jane Addams (1869–1935) gave at the School of Applied Ethics in Plymouth, Massachusetts, in 1892.

You may remember the hollow feeling which occasionally comes over you when you arrive early in the morning as a stranger in a great city: the stream of hurrying people goes past you as you gaze through the plate-glass windows of your hotel; you see hard working men, lifting great burdens; you hear the clanging and rattling of huge carts and your heart sinks with a sudden sense of fatality. The door opens behind you and you turn to the man who brings you in your breakfast

Scoring the Exam The multiple choice section of the exam is scored by crediting each correct answer with one point and deducting one fourth of a point for each incorrect answer Unanswered questions receive neither a credit nor a deduction The free response essays are graded by more than 5 000 instructors and professors who gather together each June for a week of non stop AP essay grading Each essay booklet is read and scored by four graders Each grader provides a score for the individual essays This score is a number on a scale from 0 to 9 0 being the lowest and 9 the highest The graders are not aware of each other's scores When the essays have been graded four times the scores are averaged one score for each of the three essays so that the free response section is composed of three scores The three essays are weighted equally and the total weight of the free response section is fifty five percent of the total score The multiple choice section accounts for forty

five percent of the total score Each year the overall grades may fluctuate because the grading scale depends upon the performance of students in past AP administrations The following method of scoring along with the corresponding chart will give you an approximation of your score It will not indicate the exact score you would get on the actual AP English Language Composition Exam Princeton Review AP English Language and Composition Premium Prep 2021 The Princeton Review,2020-08 Make sure you re studying with the most up to date prep materials Look for the newest edition of this title The Princeton Review AP English Language Composition Premium Prep 2022 ISBN 9780525570615 on sale August 2021 Publisher s Note Products purchased from third party sellers are not guaranteed by the publisher for quality or authenticity and may not include access to online tests or materials included with the original product Wiley AP English Language and Composition Geraldine Woods,2013-02-25 Score your highest on exam day Relax The fact that you re even considering taking the AP English Language Composition exam means you re smart hard working and ambitious All you need is to get up to speed on the exam s topics and themes and take a couple of practice tests to get comfortable with its question formats and time limits That s where Wiley AP English Language Composition comes in This user friendly and completely reliable guide helps you get the most out of any AP English class and reviews all of the topics emphasized on the test It also provides two full length practice exams complete with detailed answer explanations and scoring guides This powerful prep guide helps you practice and perfect all of the skills you need to get your best possible score And as a special bonus you ll also get a handy primer to help you prepare for the test taking experience A detailed overview of the test Subject reviews covering all test topics Practice questions Sample free response questions with advice for crafting critical essays Strategies and solid test taking advice Two full length practice tests with detailed explanations and walk throughs Supplemented with handy lists of test taking tips and more Wiley AP English Language Composition helps you make exam day a very good day indeed
