David Vincent Meconi, S.J.,2021-08-26 Augustine of Hippo s The City of God is generally considered to be one of the key works of Late Antiquity Written in response to allegations that Christianity had brought about the decline of Rome Augustine here explores themes in history political science and Christian theology and argues for the truth of Christianity over competing religions and philosophies This Companion volume includes specially commissioned essays by an international team of scholars that provide new insights into The City of God Offering commentary on each of this massive work s 22 books chapters they sequentially and systematically explore The City of God as a whole Collectively these essays demonstrate the development and coherence of Augustine s argument The volume will be an invaluable resource for students and scholars of ancient and contemporary theology philosophy cultural studies and political theory **An Analysis of St. Augustine's The City of God Against the Pagans** Jonathan D. Teubner,2018-05-11 The City of God against the Pagans is a central text in the Western intellectual tradition Made up of twenty two lengthy books Augustine wrote his masterpiece over a thirteen year period during which the Western Roman Empire began to unravel The first ten books are a critique of pagan religion and philosophy while books eleven to twenty two treat the relationship between the City of God and the Earthly City Throughout Augustine conveys his mature vision of what it means for a Christian to live in a world with evil Its arguments and ideas have provoked debate for nearly 1600 years and remains a central text in the disciplines of theology historiography and political theory Politics and the Earthly City in Augustine's City of God Veronica Eileen Roberts,Veronica Ogle,2021 A new reading of Augustine s City of God which considers the status of politics within Augustine s sacramental worldview *The Essential City of God* Gregory W. Lee,2025-04-01 Augustine is the most influential thinker of Western Christianity and City of God is arguably his greatest work After the sack of Rome in 410 many Romans despaired about the future of the empire Critics of Christianity blamed the devastation on the empire s conversion to the faith City of God is Augustine s monumental response to these challenges developed through analysis of Roman society engagement with classical philosophy and extended commentary on Scripture These sprawling discussions yield Augustine s theology of the two cities according to which all people are divided into two communities according to their

ultimate loves whether of God or of self Christians are called to love eternal goods over temporal goods even as they seek the peace of the earthly city The length and complexity of City of God make its argument difficult to follow even for specialists This resource abridges Augustine s work and makes it accessible for a wide readership The selections focus on his social and political thought while indicating the larger shape of his work They are accompanied by explanatory notes essays on critical and complex topics and an outline of the entire text These aids will enable readers to experience Augustine s work for themselves The Essential City of God retrieves ancient wisdom for the modern world offering an enduring vision for faithfulness and hope in times of social instability

Church and World Simon P. Schmidt, 2020-01-01 In the world but not of it an expression that has been interpreted in a multitude of ways With the publication of Rod Dreher s much debated book The Benedict Option in 2017 the question of just how the church is to exist in but not of the world is once again on the minds of many To provide answers true to the context in which the Western church now finds itself it is worth first investigating how the question has been answered in the past In determining what to do today it helps to understand how we got here in the first place At the beginning of the fourth century people were persecuted for being Christians by the end of the fourth century people were persecuted for not being Christians This book is an academic investigation of how three paradigmatic theologians interpreted this so called Constantinian shift Eusebius of Caesarea ca 260 339 Augustine of Hippo 354 430 and John Howard Yoder 1927 1997 Surprising similarities between the theology of Eusebius and Yoder become apparent and underlying theological structures of how to interpret what it looks like to be a community that follows Christ are revealed
