Augustus First Emperor Of Rome:

Augustus Adrian Goldsworthy,2015-08-25 The dramatic story of Rome s first emperor who plunged into Rome s violent power struggles at the age of nineteen proceeded to destroy all rivals and more than anyone else created the Roman Empire

Augustus Adrian Goldsworthy,2026-01-27 Superb Augustus is a first rate popular biography by a skilled and knowing hand Washington Post Caesar Augustus created the Roman Empire and forever associated the name Caesar with power Heir to Julius Caesar he thrust himself into the middle of Roman politics at its most violent period facing off against Brutus and eventually Antony and Cleopatra He was a military dictator who schemed and killed his way to power and then brought the Romans peace and prosperity after all the chaos laying the foundations of the famous Pax Romana In this definitive and critically acclaimed biography eminent historian Adrian Goldsworthy illuminates the political and private lives of Rome s first emperor in more depth than ever before Weaving together tales of military victories political marriages and senatorial power struggles Goldsworthy portrays Augustus as he really was at once noble and manipulative giving and tyrannical clever and cruel Meticulously researched and approachably written Augustus is the most detailed extant biography of Caesar Augustus a man whose legacy continues on today

Augustus Adrian Goldsworthy,Dr Adrian Goldsworthy Ltd,2014-08-14 Masterly Robert Harris author of Imperium Essential reading for anyone interested in Ancient Rome Independent Caesar Augustus schemed and fought his way to absolute power He became Rome s first emperor and ruled for forty four years before dying peacefully in his bed The system he created would endure for centuries Yet despite his exceptional success he is a difficult man to pin down and far less well known than his great uncle Julius Caesar His story is not always edifying he murdered his opponents exiled his daughter when she failed to conform and freely made and broke alliances as he climbed ever higher However the peace and stability he fostered were real and under his rule the empire prospered Adrian Goldsworthy examines the ancient sources to understand the man and his times

Augustus Anthony Everitt,2007-10-09 He found Rome made of clay and left it made of marble As Rome s first emperor Augustus transformed the unruly Republic into the greatest empire the world had ever seen His consolidation and expansion of Roman power two thousand years ago laid the foundations for all of Western history to follow Yet despite Augustus s accomplishments very few biographers have concentrated on the man himself instead choosing to chronicle the age in which he lived Here Anthony Everitt the bestselling author of Cicero gives a spellbinding and intimate account of his illustrious subject Augustus began his career as an inexperienced teenager plucked from his studies to take center stage in the drama of Roman politics assisted by two school friends Agrippa and Maecenas Augustus s rise to power began with the assassination of his great uncle and adoptive father Julius Caesar and culminated in the titanic duel with Mark Antony and Cleopatra The world that made Augustus and that he himself later remade was driven by intrigue sex ceremony violence scandal and naked ambition Everitt has taken some of the household names of history Caesar Brutus Cassius Antony Cleopatra whom few know the full truth about and turned them into flesh and blood human

beings At a time when many consider America an empire this stunning portrait of the greatest emperor who ever lived makes for enlightening and engrossing reading Everitt brings to life the world of a giant rendered faithfully and sympathetically in human scale A study of power and political genius Augustus is a vivid compelling biography of one of the most important rulers in history **The First Emperor** Anthony Everitt,2006 Anthony Everitt presents this biography of Caesar Augustus Rome s first emperor and one of the most powerful men who ever lived **Ancient Rome** Victor Miller,2016-01-12 When we think of Augustus Caesar the image of a young handsome man spring to mind The successor to Julius Caesar we know that he became leader to the roman people at a very young age And yet the man who was known by several names throughout his life was not a blood relative of Caesar Although coming from fairly humble origins this man propelled himself into the life of a fearsome warrior respected politician and model roman citizen This book explores the life of Augustus and his rise to power looking at the various influences and experiences throughout his life What were the omens that suggested he was more than just an ordinary child How did he become heir to Julius Caesar s fortune and power Were all the decisions he made throughout his life politically motivated How did his step son Tiberius become his only heir despite his struggle to ensure that he had a strong family line when he died Augustus Caesar was a highly complex and intellectual individual who became one of the most powerful leaders of the time The self styled Father of Rome he was truly destined towards divinity

Augustus, First Roman Emperor Matthew D. H.
