Beyond Wikileaks Implications For The Future Of Communications Journalism And Society

Howard Tumber, Silvio Waisbord

Beyond Wikileaks Implications For The Future Of Communications Journalism And Society:

Beyond WikiLeaks Benedetta Brevini, Arne Hintz, Patrick McCurdy, 2013-04-16 The 2010 release of US embassy diplomatic cables put WikiLeaks into the international spotlight Revelations by the leaks sparked intense debate within international diplomacy journalism and society This book reflects on the implications of WikiLeaks across politics and media and on the results of leak journalism and transparency activism

The Future of Journalism: Risks, Threats and Opportunities Stuart Allan, Cynthia Carter, Stephen Cushion, Lina Dencik, Inaki Garcia-Blanco, Janet Harris, Richard Sambrook, Karin Wahl-Jorgensen, Andy Williams, 2020-04-28 This volume draws together research originally presented at the 2015 Future of Journalism conference at Cardiff University UK The conference theme Risks Threats and Opportunities highlighted five areas of particular concern for discussion and debate The first of these areas Journalism and Social Media explores how journalism and the role of the journalist are being redefined in the digital age of social networking crowd sourcing and big data and how the influence of media like Twitter Facebook YouTube Instagram and Reddit affects the gathering reporting or consumption of news Journalists at Risk assesses the key issues surrounding journalists safety and their right to report as news organizations and their sources are increasingly targeted in war conflict or crisis situations The third area Journalism Under Surveillance asks what freedom of the press means in a post Snowden climate What are the new forms of censorship confronting journalism today and what emergent tactics will help it to speak truth to power Journalism and the Fifth Estate examines the traditional ideals of the fourth estate which risk looking outdated if not obsolete in the modern world How much can we rely on citizen media to produce alternative forms of news reporting and how can we reform mainstream media institutions to make them more open transparent and accountable to the public The final area Journalism's Values asks how journalism's ethical principles and moral standards are evolving in relation to the democratic cultures of communities locally regionally nationally or internationally What are the implications of changing priorities for the education training and employment of tomorrow's journalists Every chapter in this volume engages with a pressing issue for the future of journalism offering an original thought provoking perspective intended to help facilitate further dialogue and debate The chapters in this book were originally published in special issues of Digital Journalism Journalism Practice and Journalism Studies

The Routledge Companion to Media and Scandal Howard Tumber, Silvio Waisbord, 2019-03-29 Howard Tumber is Professor in the Department of Journalism at City University of London UK He is a founder and co editor of Journalism Theory Practice and Criticism He has published widely in the field of the sociology of media and journalism Silvio Waisbord is Professor in the School of Media and Public Affairs at George Washington University USA He was the editor in chief of the Journal of Communication and he has published widely about news politics and social change *The Routledge Companion to Digital Journalism Studies* Scott A. Eldridge II, Bob Franklin, 2016-11-18 The Routledge Companion to Digital Journalism Studies offers an unprecedented collection of essays addressing the key issues and debates shaping the

field of Digital Journalism Studies today Across the last decade journalism has undergone many changes which have driven scholars to reassess its most fundamental questions and in the face of digital change to ask again Who is a journalist and What is journalism This companion explores a developing scholarly agenda committed to understanding digital journalism and brings together the work of key scholars seeking to address key theoretical concerns and solve unique methodological riddles Compiled of 58 original essays from distinguished academics across the globe this Companion draws together the work of those making sense of this fundamental reconceptualization of journalism and assesses its impacts on journalism s products its practices resources and its relationship with audiences It also outlines the challenge presented by studying digital journalism and more importantly offers a first set of answers This collection is the very first of its kind to attempt to distinguish this emerging field as a unique area of academic inquiry Through identifying its core questions and presenting its fundamental debates this Companion sets the agenda for years to come in defining this new field of study as Digital Journalism Studies making it an essential point of reference for students and scholars of journalism

Digital Multimedia: Concepts, Methodologies, Tools, and Applications Management Association, Information Resources, 2017-09-13

Contemporary society resides in an age of ubiquitous technology With the consistent creation and wide availability of multimedia content it has become imperative to remain updated on the latest trends and applications in this field Digital Multimedia Concepts Methodologies Tools and Applications is an innovative source of scholarly content on the latest trends perspectives techniques and implementations of multimedia technologies Including a comprehensive range of topics such as interactive media mobile technology and data management this multi volume book is an ideal reference source for engineers professionals students academics and researchers seeking emerging information on digital multimedia The Routledge Companion to Media and Human Rights Howard Tumber, Silvio Waisbord, 2017-07-14 The Routledge Companion to Media and Human Rights offers a comprehensive and contemporary survey of the key themes approaches and debates in the field of media and human rights The Companion is the first collection to bring together two distinct ways of thinking about human rights and media including scholarship that examines media as a human right alongside that which looks at media coverage of human rights issues This international collection of 49 newly written pieces thus provides a unique overview of current research in the field while also providing historical context to help students and scholars appreciate how such developments depart from past practices The volume examines the universal principals of freedom of expression legal instruments the right to know media as a human right and the role of media organisations and journalistic work It is organised thematically in five parts Communication Expression and Human Rights Media Performance and Human Rights Political Processes Media Performance and Human Rights News and Journalism Digital Activism Witnessing and Human Rights Media Representation of Human Rights Cultural Social and Political Individual essays cover an array of topics including mass surveillance LGBT advocacy press law freedom of information and children s rights in the digital age With contributions from both leading

scholars and emerging scholars the Companion offers an interdisciplinary and multidisciplinary approach to media and human rights allowing for international comparisons and varying perspectives The Routledge Companion to Media and Human Rights provides a comprehensive introduction to the current field useful for both students and researchers and defines the agenda for future research

Digital Transformations in Turkey Banu Akdenizli, 2015-03-06 Digital Transformations in Turkey analyzes the genesis dynamics and operations of different communication contexts in relation to digital transformations in Turkey The contributors tackle such topics as the impact of social networking channels like Facebook YouTube and Twitter and the changing dimensions of social cultural and political ideologies Akdenizli offers a multifaceted and balanced discussion of the role and impact of communication technologies in a country with questionable and blatant freedom of expression violations This collection will appeal to scholars of communication new media and technology in emerging markets

Protest Technologies and Media Revolutions Athina Karatzogianni, Michael Schandorf, Ioanna Ferra, 2020-11-26 Contains an Open Access chapter With chapters spanning from the Russian Revolution to the present day this book considers how art media and communication technologies have been operationalised to connect mobilise organize and inspire the masses in particular national political and economic contexts

Media Ownership and Agenda Control Justin Schlosberg, 2016-11-10 Media Ownership and Agenda Control offers a detailed examination of media ownership amidst the complexities of the information age from the resurgence of press barons to the new influence wielded by internet giants Much of the discussion pivots around recent revelations and controversies in the media industry such as the findings published in 2012 from the Leveson Inquiry the US Federal Communications Commission's ruling on net neutrality in 2015 Edward Snowden's decision to leak National Security Agency NSA documents in 2013 and the legal battles over ancillary copyrights waged in Germany and elsewhere Justin Schlosberg traces the obscure and often unnoticed ways in which agendas continue to be shaped by a small number of individual and institutional megaphones despite the rise of grassroots and participatory platforms and despite ubiquitous displays of adversarial journalism Above all it explores the web of connections and interdependence that binds old and new media gatekeepers and cements them to the surveillance and warfare state This ultimately foregrounds the book's call for a radical rethink of ownership regulation situating the movement for progressive media reform alongside wider struggles against the iniquities and injustices of global capitalism This book's re-evaluation of the nature of media ownership and control in a postdigital world will prove to be an invaluable resource for students of media studies and journalism as well as all those with an interest in the changing dynamics of media power Get involved Reclaimthemedialog.org

Attacks on the American Press Jessica Roberts, Adam Maksel, 2021-07-19 This authoritative annotated document collection surveys and explains efforts to censor intimidate suppress and reform and improve news organizations and journalism in America from the newspapers of colonial times to the social media that saturates the present day This primary source collection will help readers to understand how the press has been vilified

usually by powerful political or corporate interests over the course of American history with a special focus on current events and how these efforts to censor or influence news coverage often flout First Amendment protections concerning freedom of the press Selected documents highlight efforts to intimidate silence condemn marginalize and otherwise undercut the credibility and influence of American journalism from the colonial era through the Trump presidency Most of the featured documents focus on efforts borne out of self interested attempts to shape or conceal news for political or economic gain or personal fame but coverage also includes instances in which press actions attitudes or priorities deserved censure All told the collection will be a valuable resource for understanding the importance of a free press to American life and the constitutional basis for preserving such the motivations both selfish and altruistic of critics of American journalism from the earliest days of the Republic to today and the impact of all of the above on American society

Beyond Wikileaks Implications For The Future Of Communications Journalism And Society Introduction

In the digital age, access to information has become easier than ever before. The ability to download Beyond Wikileaks Implications For The Future Of Communications Journalism And Society has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Beyond Wikileaks Implications For The Future Of Communications Journalism And Society has opened up a world of possibilities. Downloading Beyond Wikileaks Implications For The Future Of Communications Journalism And Society provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Beyond

Beyond Wikileaks Implications For The Future Of Communications Journalism And Society

Wikileaks Implications For The Future Of Communications Journalism And Society has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Beyond Wikileaks Implications For The Future Of Communications Journalism And Society. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Beyond Wikileaks Implications For The Future Of Communications Journalism And Society. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Beyond Wikileaks Implications For The Future Of Communications Journalism And Society, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Beyond Wikileaks Implications For The Future Of Communications Journalism And Society has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
