Breaking Night:

Breaking Night Liz Murray, 2025-05-01 In the vein of *The Glass Castle* *Breaking Night* is the stunning memoir of a young woman who at age fifteen was living on the streets and who eventually made it into Harvard Liz Murray was born to loving but drug addicted parents in the Bronx In school she was taunted for her dirty clothing and lice infested hair eventually skipping so many classes that she was put into a girls home At age fifteen Liz found herself on the streets She learned to scrape by foraging for food and riding subways all night to have a warm place to sleep When Liz's mother died of AIDS she decided to take control of her own destiny and go back to high school often completing her assignments in the hallways and subway stations where she slept Liz squeezed four years of high school into two while homeless won a New York Times scholarship and made it into the Ivy League *Breaking Night* is an unforgettable and beautifully written story of one young woman's indomitable spirit to survive and prevail against all odds

Breaking Night Liz Murray, 2011-05-24 *Breaking Night* Urban slang for staying up through the night until the sun rises *Breaking Night* reads more like an adventure story than an addiction morality tale It's a white knuckle account of survival Murray's stoicism has been hard earned it serves her well as a writer *Breaking Night* itself is full of heart without a sliver of ice and deeply moving The New York Times Book Review Editors Choice From runaway to Harvard student Murray tells an engaging powerfully motivational story about turning her life around In this incredible story of true grit Murray went from feeling like the world was filled with people who were repulsed by her to learning to receive the bountiful generosity of strangers who truly cared Publishers Weekly starred review The admirable story of a teen who overcame homelessness through sheer grit and the kindness of friends An uplifting story of survival Kirkus Reviews Education was the miracle that saved Murray's life Her story is inspirational and her description of her high school and its role in her life should be read by everyone concerned about education Washington Post Book World Truly uplifting Liz Murray has shown us the worst and the very best of America Haven Kimmel author of *A Girl Named Zippy* and *She Got Up Off the Couch*

Bonded to the Abuser Amy J.L. Baker, PhD, Mel Schneiderman, 2015-05-07 Tens of thousands of children are removed from home each year due to some form of child maltreatment usually physical neglect physical abuse or sexual abuse although sometimes for emotional abuse as well An additional significant number of children are victims of child maltreatment but remain in their home Extensive research reveals the far reaching and long lasting negative impact of maltreatment on child victims including on their physical social emotional and behavioral functioning One particularly troubling and complicated aspect is how the child victim forms and maintains a traumatic bond with his abuser even becoming protective and defensive of that person despite the pain and suffering they have caused This book will provide the reader with the essential experience of understanding how children make meaning of being maltreated by a parent and how these traumatic bonds form and last Through an examination of published memoirs of abuse the authors analyze and reveal the commonalities in the stories to uncover the ways in which adult victims of childhood abuse understand

and digest the traumatic experiences of their childhoods This understanding can inform interventions and treatments designed for this vulnerable population and can help family and friends of victims understand more fully the maltreatment experience from the inside out

God's Implanted Dna Don Johnson,2012-08 Everyone starts out life relying on others Usually these are family members and it s not uncommon for people to depend on them well into their twenties But ultimately people must search for something more meaningful The fortunate ones move toward caring for others an impulse that is part of the DNA that God planted in humanity This group includes people such as Mother Teresa Martin Luther King Jr Albert Schweitzer and many others some of whom are featured in this book Author Don Johnson admires these people because they made a conscious choice to care for others It is the same decision he made years ago

when he was struggling to find a direction in life After a lot of prayer and soul searching he decided to become a minister In God s Implanted DNA Johnson recalls what it was like growing up in a Baptist family and then starting a family of his own he also shares his thoughts on God s teachings Join him as he explores how much good can result when people give themselves up for the sake of others to find true happiness
