

Alien Encounters

Background: In their year 2000, scientists at the SETI Institute and the University of California, Berkeley, announced that they had discovered a signal from a distant star system. The signal was a series of pulses, and the scientists believed that it was a message from an alien civilization. The signal was discovered in 1995, and the scientists announced their discovery in 2000. The signal was discovered by the SETI@home project, which is a distributed computing project that searches for signals from alien civilizations. The signal was discovered by a computer that was part of the SETI@home project. The signal was discovered by a computer that was part of the SETI@home project. The signal was discovered by a computer that was part of the SETI@home project.

Assignment: Write a story about the discovery of the signal. Your story should include the following elements: the discovery of the signal, the scientists' initial reaction, the discovery of the signal's source, and the discovery of the signal's meaning. Your story should be written in the first person, and it should be written in a style that is appropriate for a science fiction story.

Think About It!

What questions do you have about the signal?

After you complete this assignment...

Assignment Questions:

1. What does the signal mean? Is it a message from an alien civilization, or is it a random signal?

Write your answer to this question in the space provided. Your answer should be written in the first person, and it should be written in a style that is appropriate for a science fiction story.

2. If you were a particular alien race, would you be able to understand the signal? What would you be able to understand?

Write your answer to this question in the space provided. Your answer should be written in the first person, and it should be written in a style that is appropriate for a science fiction story.

3. What is the signal's purpose? Is it a message, or is it a warning?

Write your answer to this question in the space provided. Your answer should be written in the first person, and it should be written in a style that is appropriate for a science fiction story.

After you complete this assignment, the teacher will read your story to the class.

Write your answer to this question in the space provided. Your answer should be written in the first person, and it should be written in a style that is appropriate for a science fiction story.
