Joseph Ngoma

Being Raised Ignorant Breaking Generational:

Being Raised Ignorant Frank Velasquez-Correa, 2015-12-08 *Being Raised Ignorant* is a book about child abuse due to ignorance and what the author calls a generational curse. The writing and the stories are unnervingly honest and sometimes too raw for the sensitive reader. *Being raised ignorant* is not your ordinary book. It is a book that talks about the mistakes parents make with their children when bad planning and lack of education take precedence over common sense and healthy family love. Frank Velasquez Correa, a Latino boy growing up in a rough part of the Mile High City, becomes the victim of xenophobic parents who have migrated from rural Mexico in a time where education wasn't a big part of their livelihood. In this book, Frank exposes the need to talk about parenthood and the necessity to become educated on the subject of becoming healthy parents when common sense fails and cultural stubbornness becomes a means of irrigating fear, low self-esteem, and severe personality problems. This book in a way is a sad journal, but its probity makes the reading worthwhile. Each happening is intense, and although the writing can be stark at times, it has the strongest asset of any good memoir: it tells the truth.

Kingdom Builders: Raising a Generation of Faithful Warriors Part 3,4,5,6, 7 Joseph Ngoma, 2025-10-17 *Kingdom Builders: Raising a Generation of Faithful Warriors* Exposing the Enemy's Strategies and Equipping the Next Generation for Spiritual Warfare. The world is in crisis. Darkness is spreading rapidly, infiltrating homes, institutions, and even churches. Many remain unaware of the most dangerous weapon in the enemy's arsenal: witchcraft. Far from being a mere superstition, witchcraft is a calculated strategy used by Satan to manipulate minds, destroy destinies, and enslave entire generations. From secret societies like the Illuminati and Freemasons to the deceptive practices of witch doctors, sorcerers, and false religions, the forces of darkness are at work fueling hatred, division, corruption, and rebellion against God. The question is: Who will stand for the next generation? Who will raise children strong enough to resist these deceptions and walk boldly in their divine calling? *Kingdom Builders: Raising a Generation of Faithful Warriors* is more than a book; it is a battle plan for parents, mentors, and spiritual leaders who are ready to equip the next generation for victory. This powerful guide reveals the truth about spiritual warfare, exposing the enemy's tactics while providing biblical strategies to train children in the ways of righteousness. Inside This Book You Will Discover: The Reality of Witchcraft, Understanding how the enemy operates and how to counteract his influence, The Power of Knowledge, Why children must be taught about spiritual warfare from an early age, Recognizing Deception, How to identify manipulative tactics used in media, education, and culture, Breaking Free from Demonic Influence, Practical steps for deliverance and living in victory, Equipping Future Warriors, Teaching young believers how to pray, fast, and stand firm in their faith, The Time to Prepare is NOW. The world is filled with distractions and false teachings designed to pull children away from God. But God is raising a remnant, a fearless generation of warriors who will stand against darkness and advance His Kingdom. If you are a parent, teacher, pastor, or mentor who desires to raise strong, spiritually aware children, this book is for you. It is time to build the Kingdom of God, one child at a time. Why This Description Works: Compelling Opening Hooks, the
