All I Really Need To Know I Learned On Dexter:

All I Really Need to Know I Learned on Dexter Jen Jackson, 2013-06-22 A cute and punny picture book parody based on the original life lessons from Robert Fulghum's classic *All I really need to know about the basic rules for life and other people's deaths I learned on Dexter* This blueprint was not readily available on my primetime listings but there on my premium cable channel on Sunday nights at nine These are the things I learned and everything you need to know for your own twisted life is in these comically morbid pages somewhere Intended for People with a Sense of Humor this is a very short picture book parody You will not actually learn life lessons by reading it *The Struggles of a Black Woman* Brenda Hood, 2012-10-09

The World Through Dexter's Eyes Vickie Versace Mullins, 2017-03-07 Dexter comes into the world with many problems and he turns his family's life upside down Outside and lonely he pulls the siding off the house destroys the back door chews up the cable wires and wood patio furniture Inside he does more of the same He appears to not be trainable so out of frustration Mom contacts a dog whisperer who tells her Dexter died in a storm in a past life And when he could not find his family on the other side he grabbed the first body back into the world to try again There is something very familiar about this story to Mom Then again maybe she just feels sorry for the poor deaf guy Whatever Mom has tremendous compassion towards Dexter and there was never such a bond between master and dog one so strong he telepathically conveys his story to her This book is funny sad sweet and deep and a little inverted as it is from Dexter's point of view For all his antics he is redeemed as all he wants to do on this earth is love And it isn't until he and Mom figure out the riddle the dog whisperer presented to them that Dexter becomes the dog he was meant to be Then miracles happen grannies die daughters go away to school marriages fall apart but love prevails *The Operator* D. Female Ruins Geoff Nicholson, 2001-09-04 An elegantly constructed and often funny story about a man a woman and the greatest modern English architect never to have built a building The New York Times Book Review Geoff Nicholson's novel tells the story of Christopher Howell a cult architect who allegedly built just one building and the search for that fabled building reputedly a wild willful amalgam of styles ranging from eleventh century Norman to twentieth century Neutra Ingeniously built into the narrative are bits of Howell's essays that celebrate the idea of the Cardboard House and the architecture of impermanence When Howell's daughter and keeper of his flame Kelly and a Howell groupie named Jack Dexter hook up in a free falling love affair the search for this apocryphal building becomes a search for a lost past Brilliantly funny and seriously obsessive Female Ruins shows how the castles we build are often symbols of our own needs follies and magnificent obsessions A meditative tale of a physical and psychological homecoming that builds its quiet and riveting plot through the dreams achievements and theories of a dead architect with a mysterious legacy Nicholson eschews the sarcastic bite of his earlier books such as Whitbread nominee Bleeding London unraveling a complex subtle story with equally intricate and modulated characters This restraint which artfully leads the reader to the poignant yet satisfying denouement gives the novel special appeal Publishers Weekly With his two protagonists Nicholson has created believably flawed human beings and if they sometimes come off as mouthpieces for architectural theory it is a forgivable sin in an otherwise enjoyable novel Booklist
