poetry in 2008 It began as an accident one day while sitting down just doodling with a pencil Verses started coming together one after another and I have been doing it ever since I am 63 and this is my first book I hope it puts a smile on people s faces All my poems deal with love happiness giving kindness to one another and sharing time with people you love and care of In one form or another each one represents the goodness in this world from the heart There is so much hurt pain and hate destruction in this world today From wars in far off lands to our own backyards when the towers fell Someday this must all

stop If my poems can bring a little sunshine into the heart my writings have not been done in vain My wish would be to take all weapons of war and turn them into farming tools This world would be a lot better off In closing I would like to repeat what Roy and Dale say at the end of their show Happy trails to you until we meet again May God Bless Rick Widener **With Love, All Things Are Possible** Anna Hartt,2024-09-22 In our struggling world we are responsible to bring God s love and Christ s light into a world that seems to have forgotten this task to foster more secular responses to the world s problems Many of us try to do everything by ourselves and soon realize we cannot do much without God s help This book speaks to real life issues that need our individual and national attention The needs of our children the sacrifices of the military struggling families the power of prayer the importance of mission work ubuntu possibilities to solve problems core values in the Word the value of Christian holidays and the effects of COVID on ourselves the nation and the world Fears and doubts are not answers to our problems but all things are possible with love With her own prayers poems and philosophies and various Biblical texts the author encourages all to see that with Jesus Christ s love light hope peace and grace all things are possible when we open our hearts to God and others Creating a beautiful world for us God gave us free will so that we might grow in the wisdom of His Word and laws We must love one another and be Christ with flesh on Anger hatred violence and malicious words will not create a better world only love can COVID taught us that we are because of so many people Americans and the nation have been given much and with that abundance much is expected of us **The Sum of All Things: Connecting with the Spirit and God in Us All** Derek L. Gray,2016-10-05 Have you ever had a moment that redefined everything you thought to be true about life family and faith Derek L Gray had such a moment in the fall of 2014 when he suffered a series of personal and professional setbacks that left him seeking answers to life s biggest questions He was greeted by God and a host of spiritual guides more than happy to provide answers In this book he acts as a messenger of God sharing what he learned over the course of two years During that time he spoke with angels witnessed life hours after his birth observed life before he was born and crossed the veil to speak to his dad again These amazing experiences along with working side by side with his spiritual mother Liese and his spiritual guide Harman shape the life changing messages in this book If you ve always been convinced that we can learn nothing more about God than what is written in the Bible then open your mind to new ideas
