What Possible Good? Bill Trout, 2020-04-14 In the midst of our own intense storms of life we desperately search for an anchor of hope This book by author Bill Trout takes us on a journey towards gaining a better understanding of our pain and suffering We will find that God alone is the one true steadfast anchor that we seek Believers in Jesus are firmly secured to God as our anchor by a heavenly chain of very strong links One of the most vital links is found in the answer to the following question What possible good could come from our suffering There is great news God can and does turn bad things into good things for us To see him at work in our lives we need to ask God to open our spiritual eyes To improve our vision of the Master Potter at work we will look through a number of different spiritual lenses Each lens will permit us to see a different Biblical perspective of viewing our pain and suffering Not only will we see a broad range of the possible causes and sources of our trials but also we will discover additional links in the chain of hope which may have eluded us thus far Though we have a natural tendency to blame God for our pain and suffering we will learn that the devil is the primary cause for most of the trials we face But more great news As we grow in our faith and trust in God we realize that he is an expert at turning the tables on all of the devil's deceptive schemes to tempt torture and destroy us God clearly works for the good of the those who love him who are called according to his purpose Romans 8:28 He is the master of turning potential defeat into decisive victory If we hold tight to him as our anchor we can safely and securely ride out all of the storms of life until we reach that promised eternal heavenly shore

The Simple Power of a Broken Life J. Daniel Moore, 2019-05-30 The Simple Power of a Broken Life serves to bring meaning to and ultimately healing from the suffering and pain that accompanies the broken seasons of our lives Drawing upon the brokenness of seven individuals from the Scriptures and their respective pain a picture of hope and usefulness emerges that serves to begin to make sense of the mysteries betrayals rejections heartaches and disappointments that we all eventually come into contact with in one form or another Not only do we each matter to God but our brokenness actually sets us apart as being more likely to be used to impact other lives Being fully convinced that God uses broken things we find that our brokenness is the starting point in a deeper more intimate experience with God Broken lives may experience a beautiful and simple power in the midst of their pain and suffering that the Father can use as a rich blessing for other wounded souls My strong desire is that the purpose of your pain and the healing of your heart will lead you into deeper waters of God's grace than you have ever known before and that multitudes of people will be helped on their journey because of your brokenness Here's to believing that the simple

power of your broken life will gloriously transform both you and all the lives God wants to touch through you To Tell the Truth Hope Beryl-Green, 2018-08-20 Standing alone against people who wanted me dead people who had controlled me from infancy I was terrified My rescuer said You and Papa God are a majority He is bigger than all of them Freedom was a battle that I had waged with the Lord since infancy and I was finally free Walk with me as I take you on a journey through my life This journey will expose the evil of sex slavery government sponsored mind control and the Illuminati s existence in our culture You will see the effect this has had on millions of victims all over the world You will see the effect of the torture and abuse victims suffer how it affects this country and how it is affecting you personally I will expose ways you can protect yourself and be aware of the schemes of the enemy Papa God is giving the church and this country a call to action to stand and see the truth Wake up Church Let s unite and destroy the enemy
